

### Orville C. Brown territorial loss claim

Report of H.L. Strickler, Commissioner to Audit Claims of Citizens of the Territory of Kansas, contained in the U.S. Congressional Serial Set of congressiona and executive documents. Orville C. Brown submitted claim # 121 for losses sustained during the summer of 1856 from various groups of armed men. He also claimed that his house was destroyed by men under the command of General John W. Reid on August 30, 1856. His detailed list included a number of household goods as well as some school and Sunday School books. Each claimant had to submit an itemized list and have two witnesses attest to the losses claimed. Even though many of these claims were approved for payment, no funds were ever appropriated or distributed.

CLAIMS OF CITIZENS OF KANSAS.

No. 121.

TERRITORY OF KANSAS, County of Lykins.

To the Hon. H. J. Strickler, commissioner appointed by an act of the territorial legislature, entitled "An act to provide for the auditing of claims," approved February 23, 1857.

The petition of Orville C. Brown, of the town of Osawatomie, in said county of Lykins, respectfully sets forth: That your petitioner is and has been a resident of said county for the last three years; that during the summer of 1856, this portion of the Territory was in a state of great excitement, occasioned by large bodies of armed men travelling over the country committing robberies, burning houses, destroying crops, and outrages of various kinds upon the property of peaceably disposed citizens; that on or about the 30th day of August, A. D. 1856, a large body of armed men, under the command of one General John W. Reid, called into service by a proclamation of the then acting governor, Woodson, entered said town of Osawatomie, and then and there set fire and destroyed one dwelling-house, with household furniture, clothing, &c., then and there being, belonging to your petitioner, more particularly mentioned and described in the schedule hereto annexed, which schedule is made a part hereof. This said body of men, at the same time and place, took from the premises of your petitioner one horse, wagon, harness, saddle, and bridle, as per schedule; also, at the same time and place, burned an office containing an iron safe, office furniture, school books, Sabbath School library, &c., as per schedule; that about the same time one cow and one yearling bull were also taken from the possession of your petitioner; that the crop then growing on the claim of your petitioner, near said town, was also destroyed by companies of men roving about the country, as per schedule.

Your petitioner would further show, that he has never received any

compensation for any of the above losses.

O. C. BROWN.

Subscribed and sworn to before me, this 30th day of November, 1857.
