Roster of the members and posts: Grand Army of the Republic, Department of Kansas

Section 1, Pages 1 - 30

The Kansas Department of the Grand Army of the Republic (GAR), headquartered in Topeka, Kansas, periodically published a roster of all members in good standing. The 1894 state roster lists the names of members by post as of August 4, 1894. Post rosters are grouped by county in no apparent order. The counties are arranged in alphabetical order. 460 posts are represented with 17,376 members. Some post rosters that arrived too late to be included with their county were added at the end of the county listing. Post rosters include the name of the member and the unit in which they served. Many of the G.A.R. members moved to Kansas after the Civil War so they served in military units in all northern states. It is important to check both to find the all the posts in a county. Information on related organizations such as the Sons of Veterans, Women's Relief Corpts, and the Kansas Ladies of the G.A.R. A name index to this roster is available in the Kansas Historical Society library. The Grand Army of the Republic was an association of Union veterans of the Civil War that sought to preserve the legacy of the Union Army and the ideals underwriting the preservation of the union. It also assisted veterans in need, and their families, worked to increase veteran benefits, and promoted allegiance to the United States and the federal constitution.

HISTORY

OF THE

DEPARTMENT OF KANSAS

GRAND ARMY OF THE REPUBLIC.

On December 7, 1865, the Veteran Brotherhood of Kansas was organized, antedating by several months, the organization of many of the Departments which now claim to outrank Kansas. That organization was a secret society, and held a state camp at Topeka in June, 1866, at which there were over fifty camps represented. The organization was the work of Brevet Lieutenant Colonel Henry S. Greeno, of the Fourth Arkansas cavalry, then residing in Topeka.

Comrade Greeno called the state meeting. and Col. J. C. Hayes, of Olathe, was chosen state commander. A meeting had been called at Indianapolis, for November, to organize a National order, to be called the Grand Army. Major T. J. Anderson, of Topeka, was sent as a representative of the Kansas organization, and was duly admitted to the Indianapolis convention. After the full discussion of all the features of the new association, a resolution was introduced by Major Anderson, and passed, which was as follows:

Resolved, That the Commander-in-Chief of the Grand Army of the Republic be authorized to receive in the order the members of the organization known as the Veteran Brotherhood, State of Kansas, without additional expense to them, upon the Grand Encampment of that Order accepting the ritual of the Grand Army of the Republic and agreeing to be goverued by the constitution and by-laws of the same.

About a month later, December 7, 1866, the second annual meeting of the Kansas Veteran Brotherhood was held in Topeka, that being the anniversary of the original

Roster of the members and posts: Grand Army of the Republic, Department of Kansas

founding of the order. At this meeting the following resolution was offered by Major Anderson and unanimously adopted:

Resolved, That the Veteran Brotherhood, State of Kansas, be and is hereby transferred to the Grand Army of the Republic, and that we hereby adopt the ritual and agree to be governed by the Rules and Regulations of the Grand Army of the Republic.

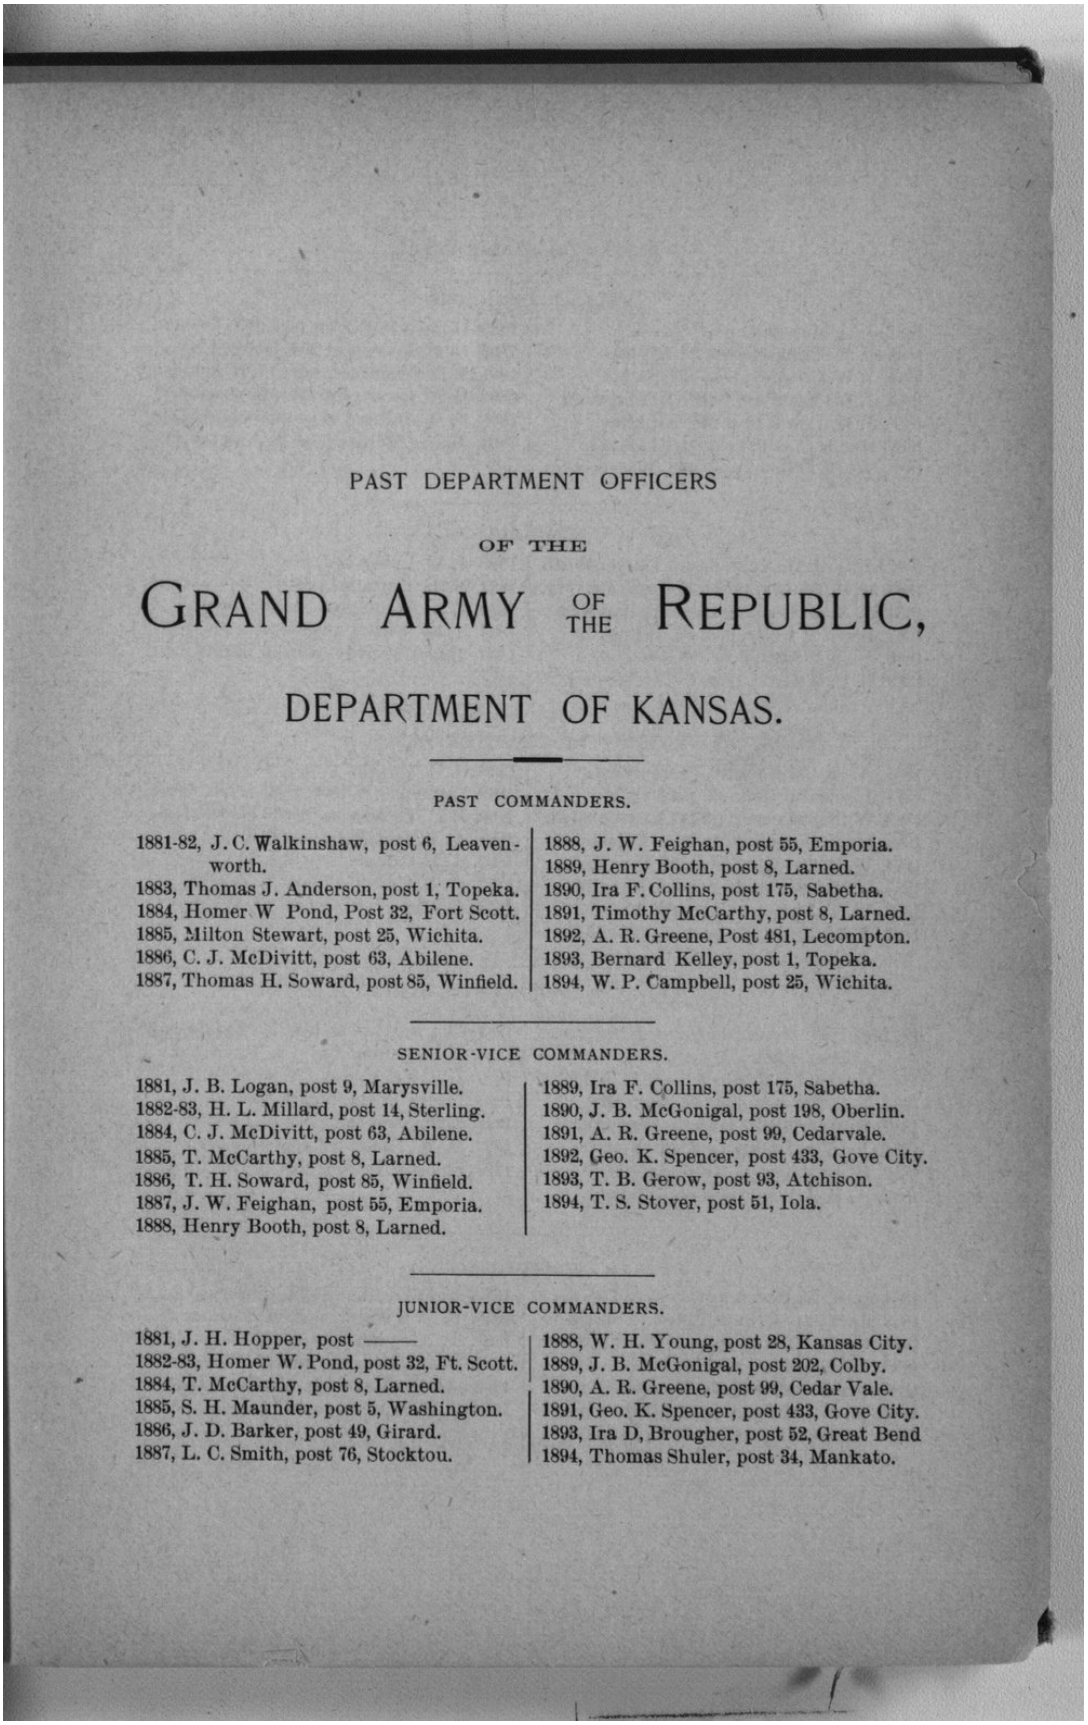

The necessary action was taken making the formal transfer of the funds, books, papers, etc., to the "Order of the Grand Army of the Republic," and Major Anderson duly initiated each delegate present into the order. At that meeting Col. John A. Martin, of Atchison, was chosen Department Commander; Major T. J. Anderson, Topeka, Adjutant General; John J. Boyd, Topeka, Assistant Adjutant General; T.L. Greene, Baldwin City, Quartermaster General; with the five members of the Council of Administration as follows: H. S. Greeno, J. P. Root, G. W. Weed, F. M. Stahl and J. A. Lee. The first report to National headquarters showed fifty-one posts and over 1,800 members.

In January, 1868, another annual meeting was held in Topeka, at which John C. Carpenter, of Chanute, was chosen Department Commander. James G. Blunt and W. S. Morehouse were delegates to the National encampment and Past Department Commander Martin was the Kansas member of the Council of Administration. Then followed two years of partial inactiveity during which Comrade Carpenter continued to administer the affairs of the Department. In 1869 Comrade Morehouse represented the Department in the National encampment. On February, 1872, a meeting was held and W. S. Jenkins, of Leavenworth, was elected Department Commander. A. D. Nieman was the Kansas member of the Council of Administration that year. Then followed three years of difficulties and discouragements, which permeated the entire Department until in 1872, when Commander Jenkins succeeded in reorganizing a number of Posts. In 1874, Comrade Jenkins was made the member of the Council of Administration from Kansas. In 1876, John Guthrie, of Topeka, was made Commander, and J. C. Walkinshaw, Assistant Adjutant General. In 1877, J. H. Gilpatrick, of Leavenworth, was elected Commander, in 1879 he was succeeded by J. C. Walkinshaw, and during his administration, on February 22, 1880, the Department of Kansas was for the third time officially reorganized as a permanently organized Department. Under his administration the Department made a healthy and rapid progress and when he surrendered the Department in 1883, it numbered 16,551 members, and included Frank P. Blair Post, No. 1, of St. Louis, Post No. 6, Vinita, I. T., and a Post at Las Vegas.

Since the last reorganization, Department Encampments have been held as follows: January 18, 1882, Topeka; January 25, 1883, Wyandotte; February 6, 1884, Topeka; March 10, 1885, Fort Scott; February 23, 1886, Wichita; March 8, 1887, Abilene; February 21, 1888, Winfield; March 1, 1889, Emporia; January, 1890, Salina; April 1, 1891, Hutchinson; February, 1892, Atchison; March, 1893, Pittsburg; February 22, 1894, Newton.

Officers have been elected for the Department as follows:

Legislation for the Veteran.

MEMORIAL DAY.

The 30th day of May was made a legal holiday by the Legislature of 1866.

INTERMENT OF VETERNS.

By Act approved 1885, provision is made for the decent burial of honorably discharged soldiers, sailors and marines who may die without leaving sufficient means to defray funeral expenses. Roster of the members and posts: Grand Army of the Republic, Department of Kansas

NOTE.

The foregoing is a complete Roster of all the members of the Grand Army of the Republic in good standing in the Department of Kansas on August 4, 1894.

The posts are grouped by counties and the counties are arranged in alphabetical order. There are 460 posts reported with an aggregate of 17,376 names of members.

In the appendix are placed posts whose rosters were not received at Headquarters in time to go in their proper place, and such posts are also grouped by counties alphabetically arranged. A proof sheet of each post was sent to the Commander for correction, and a reasonable time allowed for the return of the same corrected. In some cases this duty of correction was not performed which will account for some errors in the spelling of names. In some cases the corrected proof was withheld an unreasonable time before sending it in which has caused some delay in bringing out the work.

Comrades who find their names mis-spelled or their military descriptive list incomplete must be indulgent for it has required some patience and perseverance to make the Roster as complete as it is. Five posts made no report for the Roster. They contain according to other returns an aggregate of ninety-five members.

Post 197 at Wa Keeney contained so many errors in the spelling of names as originally printed, and the adjutant having satisfied the department commander that he was prevented by accident from correcting the proof sent to him, the post is reprinted entire in the appendix, as corrected by the adjutant, but it is counted only once in the enumeration above given.

The following Posts printed in the appendix were omitted in their proper place by accident and not through any negligence or fault of the post adjutant: 486 at Fort Scott; 383 at Manchester; 224 at Chase.

Comrades finding their names in the roster misspelled or without a proper description of their military service may know there is something wrong in the record of their Post and at these headquarters also, which they will of course proceed to have corrected.

The price of the roster when ordered by the post adjutant for members of his post, will be $.25, the money to accompany all orders. When the number on hand is reduced to 300 the price will be $1.00 for those remaining. Persons not members of the Grand Army may purchase the work by sending their orders to the assistant adjutant general at Topeka, at $1.00 a copy.

Some changes have been made in the District Inspectors whose names are printed on page 4. The District Inspectors whose names do not appear there are as follows:

Sixth District—D. M. Ray of Post No. 185, Yates Center; vice O. S. Woodward, resigned.

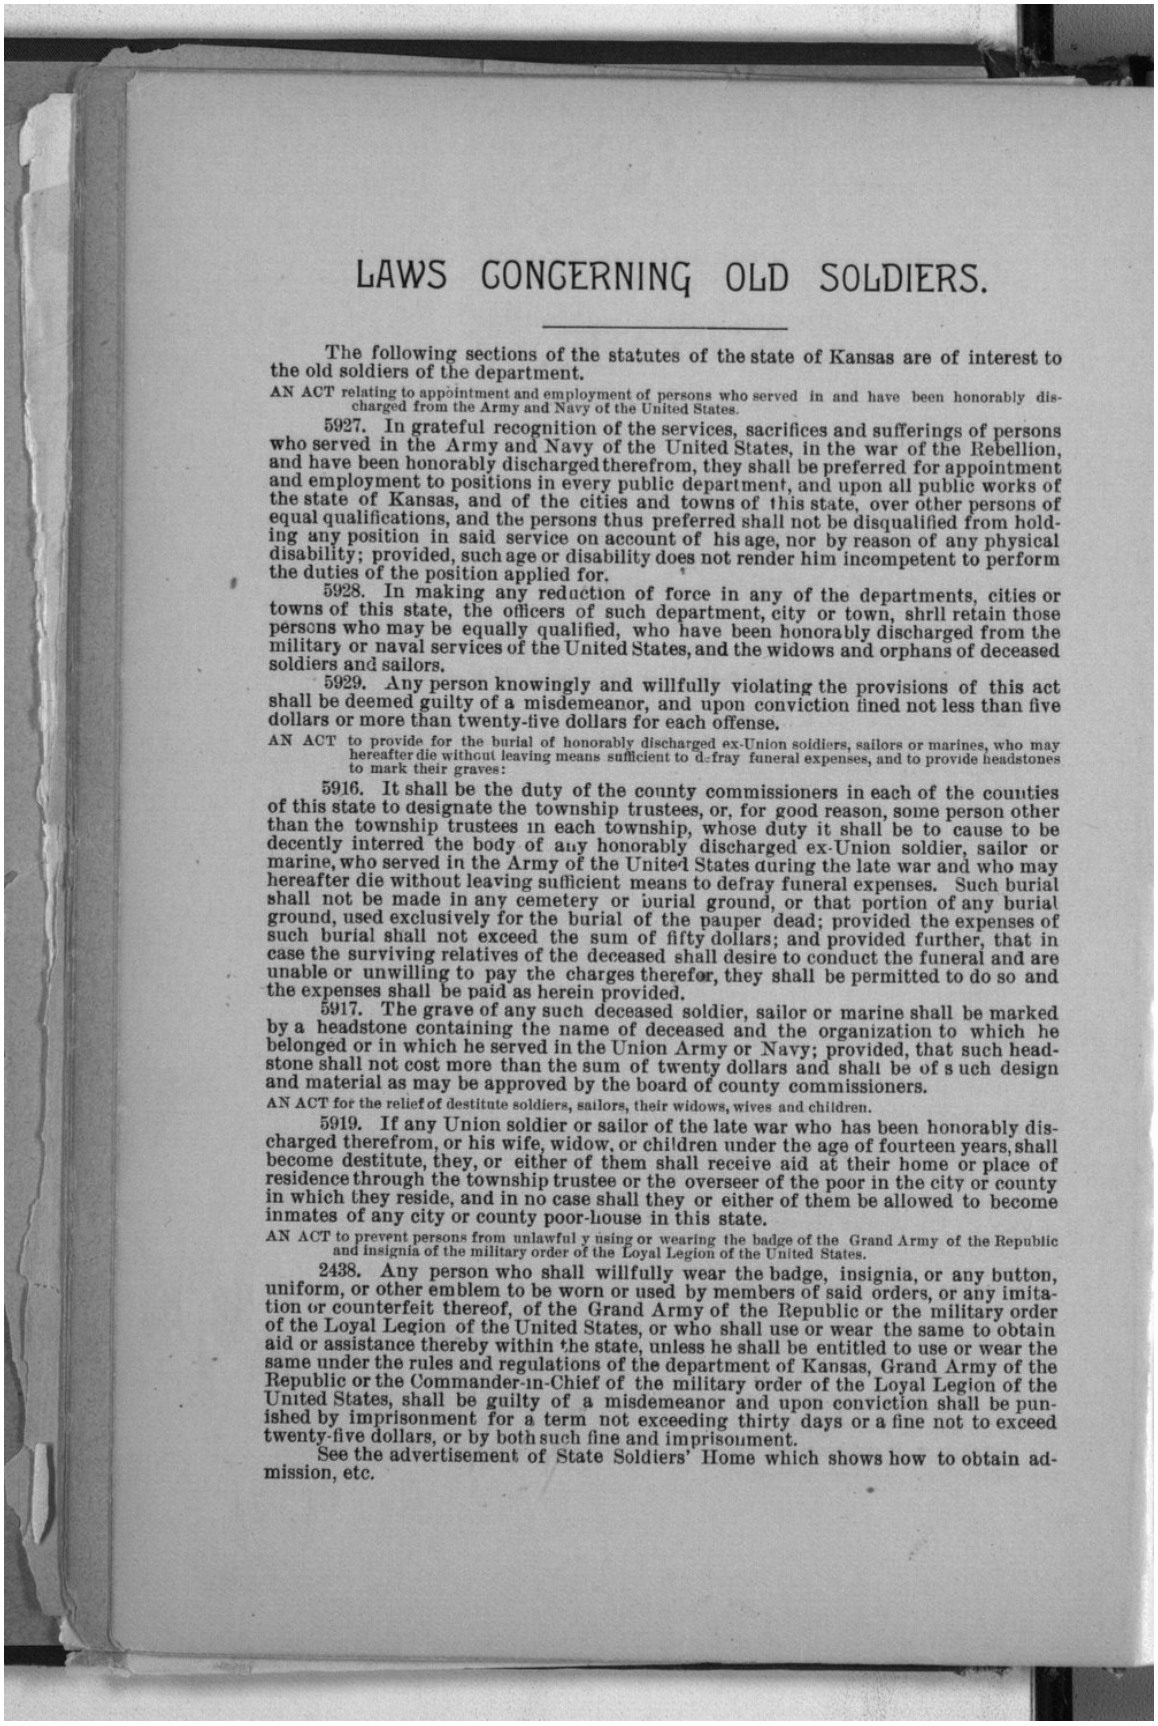

Twenty-fourth District—J. A. Gardner of Post No. 176, Pratt; vice J. I. Douthart resigned.

Elsworth county was transferred from Inspection District No. 21, to No. 17, and Hill P. Wilson of Post No. 2, Hays City, appointed Inspector of District 21, vice D. B. Long resigned.

B. F. Michael, Inspector of the Twenty third District should be assigned to Wellington instead of Washington.

Benjamin Dornblazer of Post No. 98, Fredonia, was appointed Department Inspector, vice J. G. Waters, resigned.
