

Roster of the members and posts: Grand Army of the Republic, Department of Kansas

Section 7, Pages 181 - 210

The Kansas Department of the Grand Army of the Republic (GAR), headquartered in Topeka, Kansas, periodically published a roster of all members in good standing. The 1894 state roster lists the names of members by post as of August 4, 1894. Post rosters are grouped by county in no apparent order. The counties are arranged in alphabetical order. 460 posts are represented with 17,376 members. Some post rosters that arrived too late to be included with their county were added at the end of the county listing. Post rosters include the name of the member and the unit in which they served. Many of the G.A.R. members moved to Kansas after the Civil War so they served in military units in all northern states. It is important to check both to find the all the posts in a county. Information on related organizations such as the Sons of Veterans, Women's Relief Corps, and the Kansas Ladies of the G.A.R. A name index to this roster is available in the Kansas Historical Society library. The Grand Army of the Republic was an association of Union veterans of the Civil War that sought to preserve the legacy of the Union Army and the ideals underwriting the preservation of the union. It also assisted veterans in need, and their families, worked to increase veteran benefits, and promoted allegiance to the United States and the federal constitution.

Roster of the members and posts: Grand Army of the Republic, Department of Kansas

Kansas State Soldiers' Home, Fort Dodge, Kans.

EARLY eight years ago a movement was started by Lewis Post No. 294, Dodge City, for the purpose of establishing a State Soldier's Home. A separate organization was formed by members of the Post known as the "State Soldier's Home Association."

Through this association and by its efforts, supported by the citizens of Dodge City and Ford County, an act of congress was secured, approved March 3, 1889, transferring to the State of Kansas for State Soldier's Home purposes, the Fort Dodge Military Reservation of 126 acres and the buildings thereon. An act of the Kansas legislature approved March 2, 1889, establishing the Home, and authorizing the appointment by the Governor of a Board of Managers, consisting of three members, a small appropriation was made with which to begin operation.

In 1891 the sum of \$14,000 was appropriated for building purposes, in 1893 the further sum of \$2,500 for the same purpose. To the land donated by the government, the citizens of Ford county have donated to the State Home 120 acres, 19 acres added by accretion or made land by the Arkansas river. Total acreage of the Home 246 acres, on which are six two-story double buildings of ten rooms each, two barracks buildings of twenty rooms each and one of eight rooms, twenty cottages of three and four rooms each, hospital, school house and a number of other buildings. One of the barracks buildings mentioned is fitted up for single men. This building has eighteen sleeping rooms, one large sitting room, one dining room and one kitchen. The kitchen is furnished with a large steel range and a good cook is employed to prepare the meals which are served to the men on two long tables in the dining room.

The first biennial report published under date, November 30, 1890, shows the population of the Home as follows: 24 men, 26 women and 67 children. The second report coming down to November 1, 1892, shows an enrollment of 70 men, 51 women and 132 children. The last report dated June 30, 1894, shows enrollment as follows: 74 men, 56 women and 145 children.

Roster of the members and posts: Grand Army of the Republic, Department of Kansas

Roster of the members and posts: Grand Army of the Republic, Department of Kansas

The hospital building is a massive sand stone structure, containing ten large rooms. The west front room is used for the Home Library, the east front rooms are occupied as dispensary and surgeon's office; the rest of the building serves for hospital purposes and is fairly well equipped to receive patients afflicted with more serious diseases.

The Home school-house was re-built and enlarged in 1893. It contains one high-school room, size 32x24, with hall, taking out small space on south. Number of pupils enrolled 50. Intermediate, west room of first story, same size as above without hall; number of pupils enrolled, 48. Primary room, east room, first story, same size as high school room without hall; number of pupils, 36. Assembly room, west room, second story.

The first board of managers were Comrades J. D. Barker, Ira F. Collins, and Henry Booth, but in June, 1890, Barker resigned and J. B. McGonigal was appointed; at the expiration of Collins' term, O. H. Coulter was placed on the board. Captain D. L. Sweeny was the first commandant and served to May 1, 1893. The present board of managers are, L. Vanvoorhis, President; Dr. G. Boher and J. H. Stewart, Secretaries. Officers of the Home are, Captain Enos Reed, Commandant; John W. Sidlow, Quartermaster and Adjutant; A. Shellack, Surgeon.

For the information of Kansas comrades, the following suggestions are given:

Those desiring to be admitted to the Home, should write for a blank application and copy of by-laws and rules of the Home. Address Commandant State Soldier's Home, Fort Dodge, Kansas.

ELIGIBILITY.

All ex-union soldiers, sailors or marines together with members of their families, dependent on them for support, upon the following conditions:

1st—Must have served in a Kansas regiment or have resided in this state for one year next preceding the date of application.

2nd—That he is disabled by reason of disease, wounds or old age or otherwise from earning his own living and has no property, or other adequate means of support.

3rd—He must subscribe to the rules of the Home and other conditions as noted on application blank and Regulations of the Home.

4th—Women under 40 years of age are not admitted, neither can a wife be admitted who was married to the soldier subsequent to the year 1892.

5th—Boys over 12 years, girls over 14 years, cannot be admitted.

Owing to the extensive failure of crops the last two years and to the increasing infirmities of the comrades incident to advancing age the applications for admission to the Home at the present time are more numerous and urgent than ever before in the history of the institution. These conditions call loudly on the friends of the disabled and unfortunate soldiers of the State for united effort to secure from the legislature a liberal appropriation for the State Soldier's Home.

For complete instructions and information with regard to admission to the home address,

Commandant State Soldier's Home,
Dodge City, Kansas.
