

Atchison, Topeka and Santa Fe Rail Road. The new and direct route to the San Juan gold and silver mines

This broadside promotes travel to the Colorado mines via the AT&SF railroad. The route began at Kansas City and traveled to Denver with various stops in between. This item demonstrates railroad companies' involvement in the promotion of mining activities and a perception of the Rocky Mountains as a tourist destination.

Creator: Atchison, Topeka, and Santa Fe Railway Company

Date: 1870s or 1880s

Callnumber: K Port 385 Scrapbook

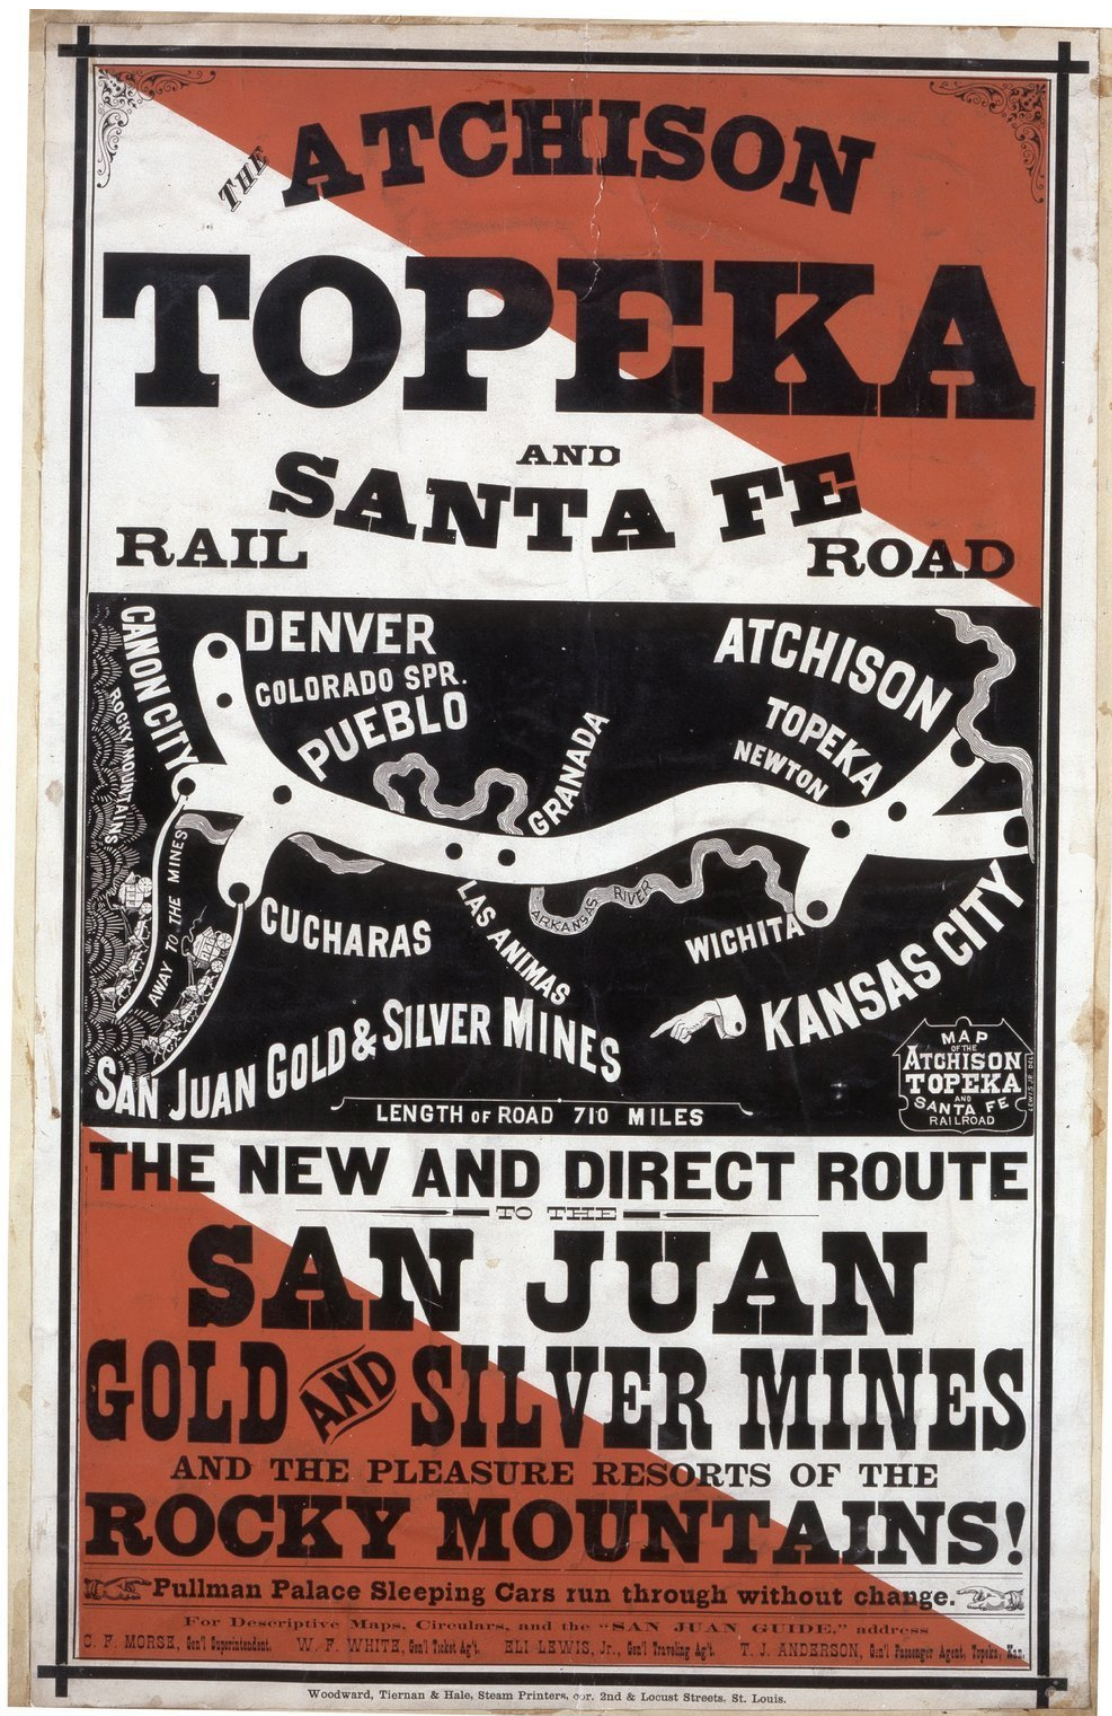

KSHS Identifier: DaRT ID: 210457

Item Identifier: 210457
