

Twenty-ninth Biennial Report, Statistics by county showing population, acreage, production, and livestock, 1933-1934

Section 5, Pages 121 - 150

This section of "Statistics by Counties, Showing Population, Acreage, Production, and Livestock" is from the Twenty-ninth Biennial Report of the Kansas State Board of Agriculture, to the Legislature of the State for the Years 1933 and 1934. It contains statistics compiled by the State Board of Agriculture pertaining to crop conditions, livestock, and other farm products. The most useful sections for seeing the impact of the Dust Bowl on agriculture are the sections for the counties of Finney, Ford, Grant, Haskell, Hodgeman, Morton, Seward, and Stevens in western Kansas.
