

Kansas, take a correct county map of Kansas Pacific Railway : Kansas, Colorado, a map which shows the new Leadville mines . . .

This brochure emphasizes the mining districts of Leadville and Ten-mile, but the brochure also encourages travel between Kansas and Colorado for reasons of health, scenery and immigration. There are three illustrations on one side and a full scale map on the reverse. The main illustration is of the Kansas Pacific Railway Depot in Kansas City while the map is of Kansas and Colorado with the Kansas Pacific Line clearly marked. There are timetables and a table of grain prices included.
