## Pay deduction

No.-----	\$-----	<h1>PAY DEDUCTION</h1> <p>Effective January 1937, we are compelled by a Roosevelt "New Deal" law, to make a 1% deduction from your wages and turn it over to the government. Finally this may go as high as 4%. You might get this money back in future years . . . but only if Congress decides to make the appropriation for that purpose. There is NO guarantee. Decide, before November 3 — election day, whether or not you wish to take these chances.</p>
