Section 30, Pages 871 - 897

Kansas governor Andrew Schoeppel collected this series of correspondence on prohibition legislation and the repeal of state-sanctioned prohibition. Kansas passed a state constitutional amendment on prohibition in 1880. Kansas repealed that amendment in 1948.

May 28, 1946.

Governor Schoeppel
State Capital,
Topeka, Kansas.

Dear Sir :- The women of the
Womens' Christian Temperance
Union of Atchison, Kansas - send
our thanks to you, for refusing
to call a special session which
would call for a vote concerning
the Kansas Prohibition Amendment.

We recall that it was a Governor,
Mr. St John - who fought to make
our State dry. We are proud of
you for trying to keep it so.

Governor Andrew Schoeppel prohibition correspondence

Our interest is mostly concerned
for the youth of our State and
Nation.

How can we build strength or
hold our heads high, if our leaders
of tomorrow are dull brained or in
a gutter?

How can we see that each
family has its quota of common
comforts - food, clothing and shelter
of the parents - both sexes - drink
them up.

It isn't taking a man's rights
away - when what he does, breaks
every moral law - for law is
Liberty.

Governor Andrew Schoeppel prohibition correspondence

So we really thank you for
your part in keeping Kansas
dry, now and in the future

Sincerely -

The President of the Union

Mrs. W. M. Phillips

Dear Co-workers:

Due to the present activities and apparent future intentions of the Liquor Industry to repeal the Prohibition clause of the Constitution of the State of Kansas, and to legalize the sale of hard liquors by State control, we, the members of the Woman's Society of Christian Service of the Methodist Church, Central Kansas Conference, in annual session at Newton Kansas, April 4, 1946, call upon and urge all the women of the church at large, to set June 2, 1946 as a day of prayer, on behalf of the cause of Temperance and Prohibition, recognizing that this day has been set by the Council of Bishops, The National Board of Temperance, and the Conference Board of Temperance.

BE IT RESOLVED: That we unitedly take our stand against the use or manufacture of all alcohol beverages, containing more than $\frac{1}{2}$ of 1% alcohol by volume.

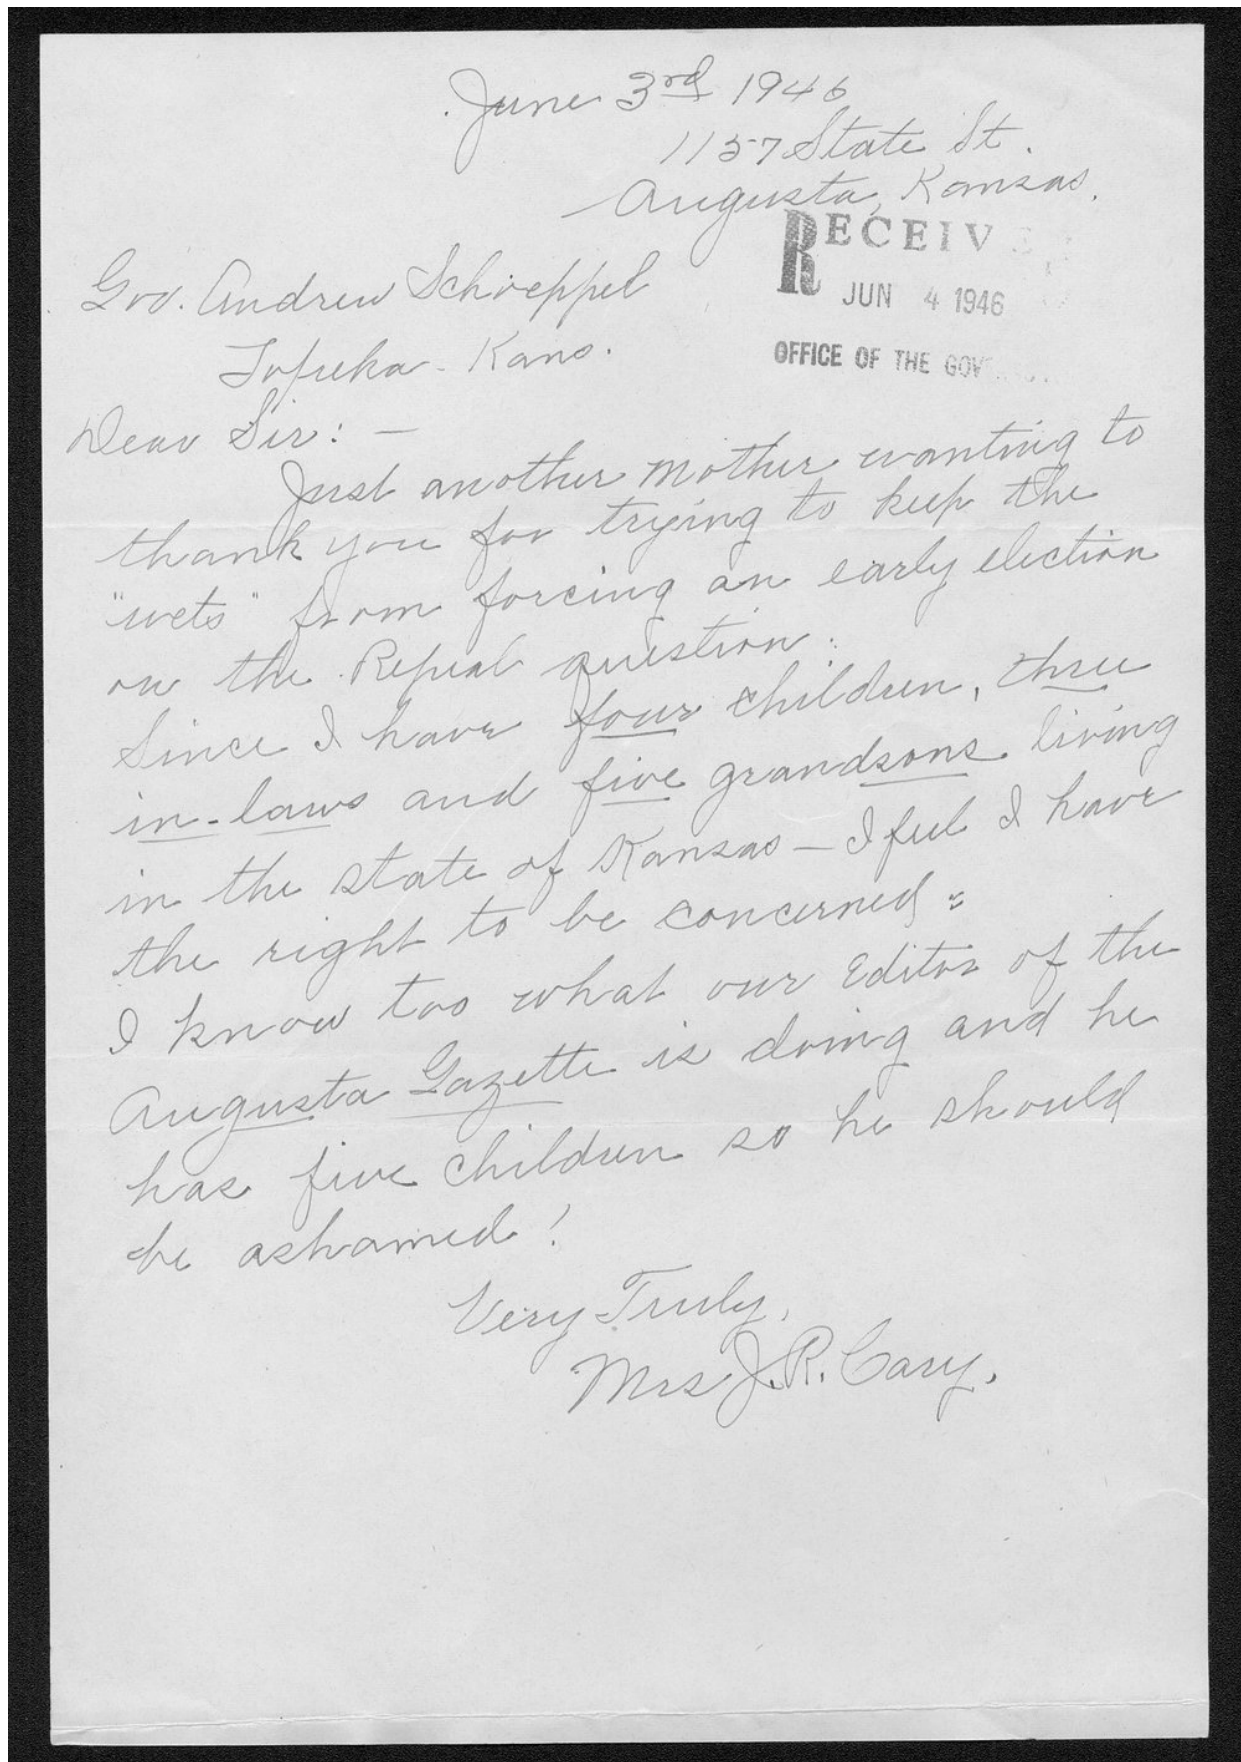

That we do all we can to oppose the liquor traffic which seeks to practice, either legally or illegally within the State of Kansas.

That we appeal to the people of Kansas to stand by and maintain the Constitutional rights of the present Bone Dry Provision.

BE IT FURTHER RESOLVED: That we pledge our full cooperation to all such Dry Organizations within the State of Kansas which are like minded, and call upon all good citizens of the State of Kansas to join with us in saving our beloved State for Civic Righteousness, by abolishing the liquor traffic.

To His Excellency
The Governor of Kansas

We the undersigned members of the First Christian Church of
Newton, Harvey County, Kansas, do register our protest against
the movement to repeal the section of our Constitution which
prohibits the traffic in beverage alcohol. This question was
decided in recent years by a majority of almost ninety thousand
votes. We do not see any good reason for submitting this question
to the voters at this early date.

We most earnestly petition that the present law permitting the

We plead for real enforcement of all the laws relating to the
