OFFICE OF THE GOVERNOR

Governor Payne Ratner  
Topeka, Kansas

Dear Governor Ratner:

In an effort to save the needless sacrifice of American youth on foreign soil, and the same time preserve our own democracy, I have, with the advice and council of many outstanding citizens of Kansas City, organized the Stay Out Of Foreign Wars Society, for the purpose of enlisting millions of Americans in a combined effort to carry out the principles above set forth.

I am enclosing herewith several of the Stay Out Of Foreign War Society blanks and sending you numerous others under separate cover and if these meet with your approval I would consider it an honor to have your signature and have you as one of our sponsors.

It would also be very beneficial if you would distribute these among your associates, employees and friends for signature and after same have been signed request they be returned promptly to Stay Out Of Foreign War Society to 1111 Insurance Exchange Building, Kansas City, Missouri.

We all know the aftermath of war, from which this country has not yet recovered. Here is an opportunity to do a worth while deed in saving the lives of American youth, preserving the liberty of our country and helping stabilize business.

Thanks for your cooperation.

Yours sincerely,

Ray F. Moseley/sb
