Kansas Board of Pharmacy reports

Section 14, Pages 391 - 420

These reports, published by the Kansas Board of Pharmacy, may include the secretary's annual report to the governor, board proceedings, cases prosecuted, laws, rules and regulations, legal decisions, and lists of registered pharmacists, pharmacies, and assistants. Names are frequently listed alphabetically and by county. Some reports contain short sketches of deceased members. A fifth annual report is not known to exist. The fourth and sixth reports were both published in 1891. Gaps in publication or holdings exist in 1900; 1917-1934; 1936; 1939; 1941-1947; 1949-1954; 1956-1957; 1959-1966; 1968-1971; and post 1972. Funds to underwrite the digitization of these reports, Board of Pharmacy Examination questions (Item # 214023), and the Board of Pharmacy Rules and Regulations (Item #214924) were provided by the Jere Matchett Memorial Fund. This donation also funded the scanning of photographs of drug stores across Kansas to include them in Kansas Memory.

SECRETARY'S NOTICE.

1. Every registered pharmacist should examine this roster and ascertain who is registered, and bring to the notice of the board the names of all parties violating the pharmacy law.

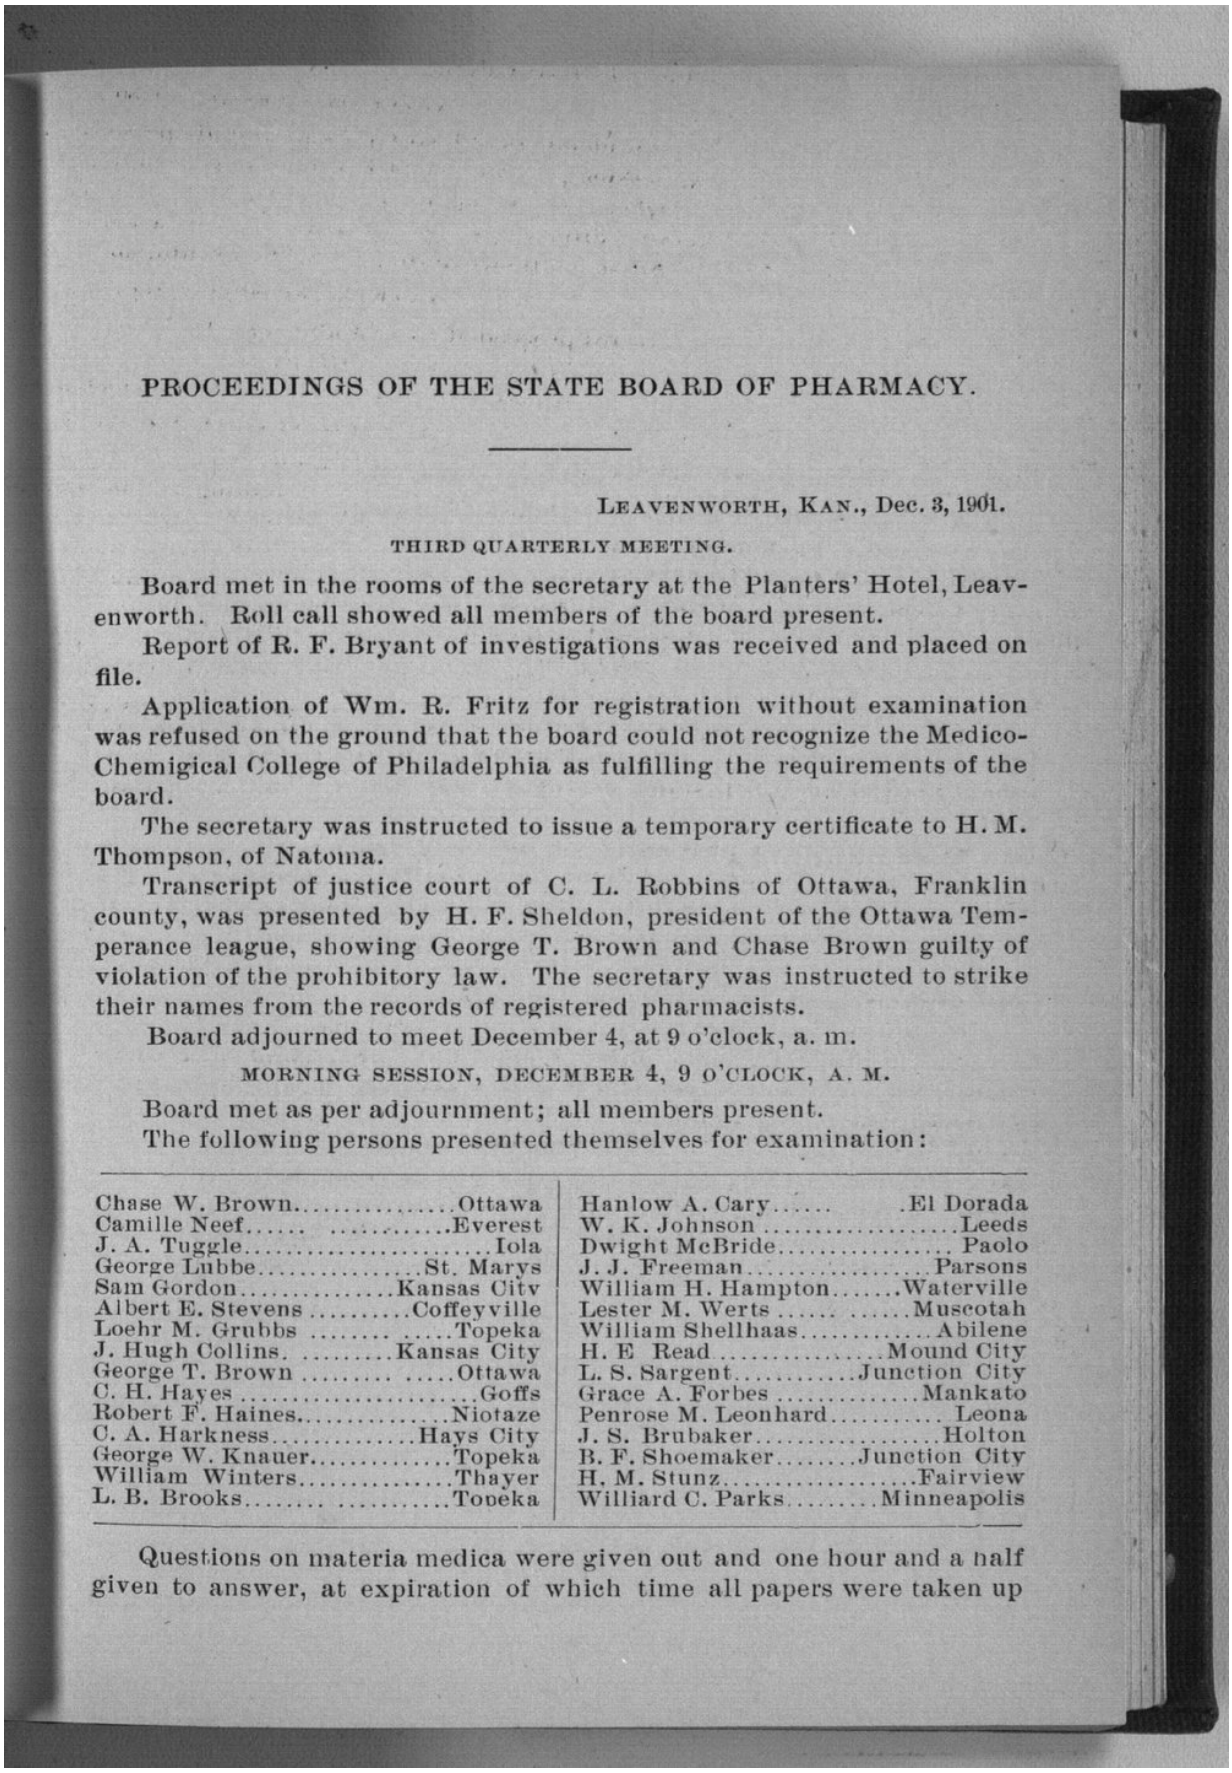

2. A pharmacist's certificate of registration must be conspicuously exposed constantly in the pharmacy to which it applies. It can only apply to the pnarmacy in which its owner is engaged. To be valid it must bear a green seal. See Sec. 1, Chap. 164, Laws of 1887.

3. To renew, or re-register your certificate, use the blank form mailed July 1 by the Secretary, and return the blank and the fee of $1 00 (one dollar), on or before the first day of August. See Sec. 1, Chap. 164, Laws of 1897.

4. Every registered pharmacist or assistant pharmacist who shall change his place of business, shall, by letter, notify the Secretary of such change, and enclose fee of 50 (fifty) cents and upon receipt of such notice and fee the said Secretary shall make the proper alterations in the register. See Sec. 3, Chap. 164, Laws of 1897. Failure to attend to this may cause the erasure of your name from the register.

5. The amount of time taken in looking up your name on the records, as well as the difficulty, sometimes, of identifying your name with your number, may not occur to you. I therefore ask you, in all your correspondence, to give the number of your certificate, that we may the more readily find the name and be saved the embarrassment of making mistakes. In future all July reports not bearing current number of your certificate, or those giving number of certificate issued prior to March 12, 1889, will be sent back for correction.

Secretary.
