Kansas Board of Pharmacy reports

Section 27, Pages 781 - 810

These reports, published by the Kansas Board of Pharmacy, may include the secretary's annual report to the governor, board proceedings, cases prosecuted, laws, rules and regulations, legal decisions, and lists of registered pharmacists, pharmacies, and assistants. Names are frequently listed alphabetically and by county. Some reports contain short sketches of deceased members. A fifth annual report is not known to exist. The fourth and sixth reports were both published in 1891. Gaps in publication or holdings exist in 1900; 1917-1934; 1936; 1939; 1941-1947; 1949-1954; 1956-1957; 1959-1966; 1968-1971; and post 1972. Funds to underwrite the digitization of these reports, Board of Pharmacy Examination questions (Item # 214023), and the Board of Pharmacy Rules and Regulations (Item #214924) were provided by the Jere Matchett Memorial Fund. This donation also funded the scanning of photographs of drug stores across Kansas to include them in Kansas Memory.
