

Kansas Board of Pharmacy reports

Section 41, Pages 1201 - 1230

These reports, published by the Kansas Board of Pharmacy, may include the secretary's annual report to the governor, board proceedings, cases prosecuted, laws, rules and regulations, legal decisions, and lists of registered pharmacists, pharmacies, and assistants. Names are frequently listed alphabetically and by county. Some reports contain short sketches of deceased members. A fifth annual report is not known to exist. The fourth and sixth reports were both published in 1891. Gaps in publication or holdings exist in 1900; 1917-1934; 1936; 1939; 1941-1947; 1949-1954; 1956-1957; 1959-1966; 1968-1971; and post 1972. Funds to underwrite the digitization of these reports, Board of Pharmacy Examination questions (Item # 214023), and the Board of Pharmacy Rules and Regulations (Item #214924) were provided by the Jere Matchett Memorial Fund. This donation also funded the scanning of photographs of drug stores across Kansas to include them in Kansas Memory.

KANSAS
HISTORICAL
SOCIETY

RULES AND REGULATIONS.

The following general policy has been adopted in registering pharmacists in Kansas:

All applicants for registration must be residents of Kansas.

Diplomas.

Graduates holding diplomas from recognized schools of pharmacy may be registered upon application and without examination on payment of a registration fee of five dollars.

Examination.

1. To be eligible to registration by examination the applicant must pass a satisfactory examination before a board. No certificate from any other pharmacy board entitles the holder to registration by the Kansas board.
2. Every person appearing for examination must have had four years' actual practice in pharmacy, if candidate for registration as pharmacist; or two years' experience, if an applicant for registration as assistant. An affidavit setting forth these facts must be filed by each applicant before the examination will be granted.
3. The preceding examinations are required.
4. The examination commences at 9 o'clock a. m.
5. The examination fee for pharmacists is \$5, and for assistant pharmacists, \$3. In the event of failure to pass a satisfactory examination a second examination will be given without payment of further fees, if taken within six months.
6. The examinations are conducted in writing, are based upon the United States Pharmacopoeia of 1900, and other standard works named in Section 8107, General Statutes, 1909, and embrace pharmacy, materia medica, chemistry, and the identification of specimens consisting of crude drugs and chemicals.
7. Seventy-five per cent is required to pass, of which not less than sixty per cent must be made in each branch of the examination, viz: Pharmacy, materia medica, chemistry, and the identification of specimens, and the answers to the questions relating to each of them.
8. The examinees are not allowed to converse with each other on subjects pertaining to the examination, nor in any way

Kansas Board of Pharmacy reports

KANSAS STATE BOARD OF PHARMACY

communicate by signs or otherwise, to assist each other. They are not allowed to leave the room without permission, and for not more than five minutes at a time, while engaged on any branch of work. One and one-half hours are given to the consideration of each of the branches of the examination. A violation of any of the rules will forfeit a certificate at that meeting.

9. The result of the examination will be made known to the examinees by mail, as soon as possible, and under no circumstances on the same day of the examination.

10. Certificates stating the percentage obtained by the examinees will be issued with notice of success or failure.

11. Temporary permits will be granted to the licentiates of other states by examination, who furnish evidence of good standing in such state at the time of filing such application, and whose applications for sufficient cause are made between the meetings of the board. The fee for this permit is \$1.50. Examination fee and permit fee must accompany application for temporary permit. The holder of such permit is expected to appear for examination the day following its expiration, and to return the permit.

12. The secretary of the board will issue notice to each applicant for examination showing percentage received in each branch.

13. Duplicate certificates are issued only upon the return of the original, or upon the sworn statement that the original is lost or destroyed, and has not been given away or disposed of to some other person. The blank form of affidavit required will be furnished by application to the secretary. The fee for duplicate is \$1, and should accompany the affidavit.

14. Remittances should be made in currency, postoffice or express money orders, or drafts payable at Ellsworth, Kansas City, Chicago, St. Louis or New York. Checks on country banks are not acceptable.

15. The renewal of certificates or re-registration of licentiates is required by law, and such renewal must be made during the month of July in each year, on the blank mailed from the secretary's office on the first day of July. The fee for renewal is \$1, and must accompany the notification of continuance in business. Failure to comply with this provision of the law will result in the erasure of the name of the pharmacist from the register.

16. Restoration may be made by the pharmacist whose name has been stricken from the register for non-renewal, by the payment of a fee of \$5, and the presentation of an affidavit, to be furnished on application, to the secretary.

17. A pamphlet copy of the pharmacy laws will be furnished to applicants by mail on receipt of postage.

KANSAS STATE BOARD OF PHARMACY

18. When complaint is made of violation of the law, always give the name and address of the party, and of the county attorney, and information of the kind of evidence that can be secured.

19. The members of the board, being sworn officers of the state, request their personal friends and others to abstain from giving letters of ability or testimonials of competency to the applicants for examination for registration, as such writing can have no influence on the conduct of the board.

20. All correspondence should be addressed to the secretary, W. E. Sherriff, Ellsworth, Kan. Letters of inquiry should contain return postage.

21. Copies of questions are not kept for distribution,

NOTES AND INFORMATION TO PHARMACISTS.

In order that everyone may become familiar with the requirements of the pharmacy law, the following rulings and interpretations of the law by the board of pharmacy have been printed, to which the special attention of every druggist in the state is called, and your assistance and co-operation in maintaining and enforcing the same is respectfully solicited by the board.

Who Has Charge of Your Store?

The very first requirement of the law is that every pharmacy, or retail drug or chemical store shall be under the direct supervision of a REGISTERED PHARMACIST, who shall take charge of and manage the same.

Temporary Absence.

The board of pharmacy construes the words, "temporary absence" to mean that a registered pharmacist can only leave his store in charge of an assistant pharmacist when it is necessary for him to be absent on duties in connection with that business, not to exceed two or three days at a time; that he can go out to meals, be out for an afternoon or evening, but that he cannot go out on a vacation of two weeks, nor can he engage in any other business, and put in an hour or two at his store, unless he has in his employ a registered pharmacist who is in charge of the store. The expressed intention of the pharmacy law is to keep every drug store or pharmacy under the immediate charge and supervision of a registered pharmacist during all the time the drug store or pharmacy is open for business.

Assistants or Apprentices.

Assistants may only sell medicines, poisons, or put up prescriptions when working directly under the supervision of a registered pharmacist.

Display of Certificates.

Every certificate must be kept conspicuously displayed in the store in which the holder of the same is engaged.

Prosecutions.

During the year there were several convictions for violation of the pharmacy drug act. In each case the party or parties convicted had been previously notified and warned. The majority of the

KANSAS STATE BOARD OF PHARMACY

cases were of men practicing as registered pharmacists without being registered, and in two instances the evidence of registration had been obtained by fraud.

Several cases were reported concerning nostrums and poisons which were being offered for sale, some of which were improperly labeled, others were poisons, and were not so marked. In each case we found the manufacturer willing and ready to conform to the requirements of the law when the violation was brought to his attention.

Dealers.

Dealers, other than pharmacists, cannot sell drugs, poisons, medicines, or chemicals for medicinal use.

Forwarding Certificates.

Certificates or diplomas are forwarded by mail, but if so desired, they can be sent by registered mail or express on payment of charges.

Copies of Questions.

Sets of questions are not kept for distribution, and cannot under any circumstances leave the hands of the members of the board.

Ownership.

Any person or firm may own a drug store, but there must be a registered pharmacist in charge.

Application Blanks.

Application blanks are furnished by the secretary. When filled out, they must be sworn to before a notary public, and returned to the secretary with the fee.

Change of Address.

If you change your address at any time during the year, please notify this office at once in order that we may change our registration books accordingly, and that mail from this office may reach you promptly.

Deaths.

Please notify this office of the death of any registered pharmacist or assistant pharmacist occurring within your knowledge during the year, giving the date thereof, if possible.

Complaints.

During the past year the board has received a number of complaints in regard to violations of the pharmacy law, all of which were accorded prompt action.

It is the earnest desire of the board that all infringement of the law be at once brought to the attention of the secretary, especial care being taken that the complaint is filed in proper form, as it is obviously impossible for the board to expend the public funds in investigating vague or trivial charges.

KANSAS STATE BOARD OF PHARMACY

Field Secretary.

This officer is elected by the board. His duties are to inform the druggists and country merchants in regard to the pharmacy law, and advise with them as to their rights and privileges thereunder, generally to see to the enforcement of the pharmacy law in the state, and to make report to the board at its quarterly meetings or oftener as may be required. He has from time to time been requested to work with the local authorities in the suppression of the cocaine traffic. The state has been divided into five districts. One district has been assigned to each member of the board, and the field secretary in all prosecutions for violations and investigation acts in conjunction with the secretary and the member in whose district the violation occurs.

The following data is necessary to justify the board in taking up a complaint:

1. Name of proprietor or firm.
2. Name of business, city or town, street number.
3. Who sold the poison or compounded the prescription?
4. Name the article sold. Sample should be marked and retained by the purchaser.
5. Date and time of day of purchase.
6. Who was in the store and witnessed the purchase?

Complaints made in proper form will receive immediate and impartial attention, and the board wishes at this time to emphasize the fact that to fully enforce the requirements of the law it needs the co-operation and assistance of all good citizens and especially of the registered pharmacists, who should render all possible aid in upholding the board in its work.

The statute provides that certain domestic remedies and medicines may be sold by dealers in rural districts, provided such dealers in rural districts first obtain a license from the State Board of Pharmacy empowering them to make such sales.

The secretary desires to offer the thanks of the board to the following leading pharmaceutical journals:

Western Druggist, National Druggist, Meyer Bros.' Druggist, Merck's Report, The Druggist Record, The Druggist Circular, The Practical Druggist, The American Druggist, The Rocky Mountain Druggist, The Drug Clerk's Journal, The Pharmaceutical Era, and Northwestern Druggist.

Every druggist in the state should join the American Pharmaceutical Association and the Kansas Pharmaceutical Association.

Look through the roll of registered pharmacists and see that your name and address is correctly printed. If not, advise the secretary. Also advise him of anyone engaged in the drug business whose name is not on the list.

The secretary is not in the druggists' exchange business. How-

Kansas Board of Pharmacy reports

KANSAS STATE BOARD OF PHARMACY

ever, he as a rule has a list of applicants on hand wanting positions. Also a list of druggists wanting clerks, and will be glad to answer all communications promptly at all times. All those applying should be as explicit as possible. Those wanting positions, state age, if registered, number of years' experience, previous employer, etc.

All communications addressed to the secretary will be answered promptly on the day same are received.

Rules for Dispensing Poisons.

It shall be unlawful for any person to sell at retail any poison enumerated in the following list, except as follows: Articles shall not be sold without distinctly labeling the box, vessel, or paper in which said poison is contained, and also the outside wrapper or cover, with the name of the article, the word "Poison," and the name and place of business of the seller. It shall be unlawful for any proprietor, or owner of any drug store or pharmacy, or any registered pharmacist to sell or deliver any article included in the schedule, without before delivering the same to the purchaser, causing an entry to be made in a book kept for that purpose, stating the date of sale, the article sold, the quantity thereof, the purpose for which it is represented by the purchaser to be required, the name of the dispenser, and the name and address of the purchaser signed by himself. Such book to be always open for inspection by the proper authorities and to be preserved for at least five years:

Arsenite lead, arsenic, acid nitric, acid sulphuric, acid muriatic, acid oxalic, acid carbolic, aconite, all fly poisons, bed bug poison, bichromite potash, black hellebore, blue vitrol, butter of antimony, biniodide of mercury, belladonna, codein, caustic potash, caustic soda, chloroform, cobalt, corrosive sublimate, creosote, croton oil, cyanide potash, cantharides, carbon disulphide, colchium, conium, denatured alcohol, digitalis, Fowler's solution, formaldehyde, hydrocyanic acid, henbane, lysol, London purple, mercury and all preparations, nitrate silver, nux vomica, opium, oil bitter almonds, oil cedar, Paris green, phosphorus, prussic acid, prussiate potash, all rat poisons, red precipitate, strychnia, sugar of lead, sulphate of zinc, tincture aconite, tincture belladonna, tincture cantharides, tincture cannabis indica, tincture digitalis, tincture hyoscyamus, tincture iodine, tincture nux vomica, tincture opium, tincture verat veride, white hellebore, white precipitate, wine antimony, wood alcohol, and all other virulent poisons.

REPORT.

To the Honorable President and Members of the Kansas State Pharmaceutical Association:

I have the honor to submit herewith a brief report of the business affairs of the State Board of Pharmacy for the past twelve months.

The quarterly meetings of our board, for which our laws provide, were held as follows:

The first in Topeka, May 25 and 26, 1911. W. E. Sherriff, being honored with re-appointment to the board by the governor, the personnel of the board remained unchanged. We organized at this meeting and elected officers for ensuing year as follows: W. S. Henrion, president; W. W. Naylor, treasurer, and W. E. Sherriff, secretary. We had sixty-eight applicants in attendance for examination, only twenty-two of whom received grades that entitled them to certificates of registration. Besides reports of committees and approval of bills no business was presented for attention.

At the second quarterly meeting, held in Winfield, Aug. 23 and 24, we examined forty-seven applicants, only eighteen of them being successful. None but routine business was transacted. It was decided to add to the equipment of our office a large, fire-proof safe for the books and records of this board. This has been needed for some time.

The third quarterly meeting was held in Hays, Nov. 15 and 16, with forty-seven applicants present for examination. Twelve were granted certificates of registration.

Upon filing of complaint, transcript of court sentence, and other evidence, one pharmacist was stricken from register for violation of prohibitory law.

The fourth meeting was held February 20 and 21, our whole time being taken up with examination of applicants, who numbered sixty. Thirty-two were granted certificates as registered pharmacists, and one as a registered assistant.

Our chief interest the past few months has been centered in progress of our case against a merchant for handling per-oxide of hydrogen. For some time past we have contended that this was a violation of the pharmacy laws of this state, and have given orders, both through our inspector and by correspondence, that only registered pharmacists or licensed merchants could handle

KANSAS STATE BOARD OF PHARMACY

this article. The point raised considerable opposition and criticism, and finally reached the stage where it was deemed advisable to secure opinion of the state courts on the question. Prosecution was instituted against a manager for one of the big ten-cent stores in Topeka, who had good legal talent furnished by the manufacturers of the article defending him. We won our case in lower court, from which they appealed. Week before last District Judge Dana rendered his opinion in the case, upholding our contention in every particular. This will prove of considerable benefit to the pharmaceutical profession, as we are in position to enforce this point strictly, backed by this court decision. There are other ambiguities and indefinite provisions incorporated in our present laws that will undoubtedly have to be threshed out in the courts in the near future, to which program we are resolved to adhere until they are clearly defined and made into practicable working laws.

None of you can have failed to be familiar with the stand taken by this board regarding the sale of fly poisons during the past year. We claim that the same restrictions hedge the sale of such articles as any other poisons upon which the law is plain. This, too, has met a mountain of opposition, and as the summer season approaches we anticipate having our hands full keeping up the campaign. We believe our efforts along these lines have your hearty approval, and shall expect assistance from all of you as occasion arises.

During the past year we have completed the most thorough personal inspection that has ever been made. In addition to the services of a competent representative in the field throughout the entire year, considerable time and labor has been devoted to this work by President Henrion and Treasurer Naylor, and it is needless to say the results have been very gratifying.

As usual, the board has been involved in very little litigation, but has a few cases in which such steps were necessary to enforce the law. We received one complaint of substitution in a prescription from Parsons, in which we were very anxious to make an example of the offender. Our inspector went down there and spent some time collecting evidence in the case, but while we were preparing to file complaint, the party suddenly disappeared, whether on suspicion of what was brewing or not, we do not know. We have the assurance of the county attorney that necessary action will at once be instituted should he return, which is hardly probable.

At the date of annual renewal last year we had on our register 1,895 registered pharmacists, and 28 registered assistants. Of these, 1,793 pharmacists renewed, leaving 102 stricken off for non-payment of annual renewal fee. Only nine deaths were reported, the remaining number having either left the state or overlooked the matter. Twenty-one assistant pharmacists renewed. At the pres-

KANSAS STATE BOARD OF PHARMACY

ent time there are 1,888 pharmacists in good standing on our register, and 22 assistant pharmacists. Last report showed 1,876 and 28.

The number of applicants for examination the past year was 222, forty more than for preceding year, and the number successful was 84, as compared with 70 the year before. There are 749 merchants' licenses in force at the present date, by far the largest number ever on our register. Last year we reported 594, which was a large number.

I append a brief statement of fees collected the past year:
Registration fees from pharmacists registered on diplomas

from recognized schools of pharmacy.....	\$ 65.00
Registration fees from pharmacists examined.....	776.00
Restoration fees	120.00
Duplicate certificate fees.....	9.00
Temporary certificate fees.....	18.00
Change of address.....	85.00
Merchants' license fees.....	2,403.75
Renewal fees	1,814.00

Total\$5,290.75

Respectfully submitted,

W. E. SHERRIFF, Secretary.

Ellsworth, Kan., May 20, 1912.

KANSAS STATE BOARD OF PHARMACY

Proceedings of the Board

SECOND QUARTERLY MEETING.

Winfield, August 23, 1911.

The board met at 9 o'clock a. m., for the examination of applicants for registration. All members of the board were present.

The roll was called, and the following answered to their names:

M. J. Gainey.....	Kansas City	P. A. Tannyhill.....	Kansas City
G. C. Morris.....	Hays	C. R. Bosline.....	Hutchinson
R. W. Hull.....	Alta Vista	C. C. McMillen.....	Russell
J. G. Woolsey.....	Munden	E. F. Truby.....	Plainville
H. L. Durst.....	Moundridge	C. L. Andrews.....	Eureka
R. B. Conant.....	Dodge City	John T. Blank.....	Elk City
A. D. Woods.....	Parsons	O. J. Bettwood.....	Turon
H. L. Brown.....	Waverly	Lota Bunch.....	Beloit
Marion Travis.....	Iola	M. W. Darst.....	Caldwell
V. P. Booth.....	Moline	W. H. Frith.....	Emporia
W. H. Little.....	Alta Vista	H. E. Fowler.....	Independence
C. W. Holdeman.....	Arkansas City	J. O. Little.....	Mulvane
Ed Doak.....	Osborne	P. H. Lindley.....	Havana
E. G. Gratigney.....	Kansas City	L. C. Mosler.....	Liberal
G. Stowe.....	Longton	R. E. Mitchell.....	Caney
L. A. Ransaffer.....	Whitney	E. E. Lyman.....	Lawrence
E. D. Aldrich.....	Miltonvale	Clarence Newton.....	Alta Vista

A. J. Porter.....Abilene	W. F. Peel.....Pratt
R. E. Rathburn.....Sedan	C. L. Smith.....Abilene
L. E. Waller.....Hutchinson	W. F. Woodford.....Topeka

having each received the required percentage, be, and they are hereby declared to be registered pharmacists by examination, and the secretary is hereby instructed to issue to each of the persons named a certificate as a registered pharmacist by examination.

Board then adjourned to meet August 24, at 9 o'clock a. m.

MORNING SESSION, AUGUST 24.

Board met per adjournment. All members were present. The report of the treasurer was received and approved by the finance committee. It showed a balance on hand of \$2,838.34.

The secretary was instructed to purchase a fire-proof safe for the purpose of protecting the records of the board.

The following business transacted by the secretary since the last meeting was approved by the board:

Pharmacists registered on diplomas from recognized colleges of pharmacy:

Margaret E. Boal.....Clifton	Paul H. Carl.....Cherryvale
Floyd V. Rankin.....Clay Center	Ellis W. Cookson.....Wichita
John A. Brown, Jr.....Washington	Harry V. Atchison.....Richmond

W. E. SHERRIFF, *Secretary.*

KANSAS STATE BOARD OF PHARMACY

FIRST QUARTERLY MEETING.

Atchison, May 23, 1912.

The board met for examination of applicants per adjournment. Minutes of last meeting were read and approved. Members present: M. W. Friedenborg, president; W. W. Naylor, treasurer; W. E. Sherriff, secretary; W. S. Dick and W. S. Henrion.

The report of the W. W. Naylor, treasurer, showing balance on hand of \$1,780.17, was received and approved by the finance committee.

The report of W. E. Sherriff, secretary, was received and approved by the finance committee.

M. W. Friedenborg presented his appointment by the governor, showing that he had been appointed to succeed himself for the term of three years.

This being the regular meeting for the election of officers, on motion, the following officers were elected for the ensuing year: W. S. Dick, president; M. W. Friedenborg, treasurer; W. E. Sherriff, secretary; W. S. Henrion, chairman of finance committee.

Motion was made and carried that the percentage for registration be raised to 75 per cent for general average, and not less than 60 per cent in any one branch; assistants to be 60 per cent for general average, and not less than 50 per cent in any one branch, and that assistants take ten questions in thirty.

The roll of applicants for examination was called, and the following answered to their names:

No. 966—H. M. Curry	5.00	No. 973—L. D. Havenhill	10.00

M. W. Friedenburt and W. E. Sherriff were elected delegates to the National Association of Boards of Pharmacy, which meets in Denver, August 19-21, 1912.

No further business appearing, the board adjourned to meet at Oakley, August 15 and 16, 1912, for the examination of applicants for registration.

W. E. SHERRIFF, *Secretary.*

KANSAS STATE BOARD OF PHARMACY

The list of registered pharmacists and assistant pharmacists on the following pages will serve as an index to those who are entitled to practice pharmacy in Kansas, and I would very respectfully request that all those who receive this report carefully look over the list of names and note whether there are any practicing pharmacy whose names do not appear on the list, and, if so, report the same to the secretary of the board. Bear in mind the fact there are some who are changing their location at times, but their names should appear in the alphabetical list, or in a list of those whose names have been stricken from the register for not having renewed their registration, or in the list of those who have died. Again, there will be some who will register during the year, and whose names will not appear in this report. We will gladly answer any inquiry regarding their registration.

W. E. SHERRIFF, *Secretary.*
