Kansas Board of Pharmacy reports

Section 49, Pages 1441 - 1470

These reports, published by the Kansas Board of Pharmacy, may include the secretary's annual report to the governor, board proceedings, cases prosecuted, laws, rules and regulations, legal decisions, and lists of registered pharmacists, pharmacies, and assistants. Names are frequently listed alphabetically and by county. Some reports contain short sketches of deceased members. A fifth annual report is not known to exist. The fourth and sixth reports were both published in 1891. Gaps in publication or holdings exist in 1900; 1917-1934; 1936; 1939; 1941-1947; 1949-1954; 1956-1957; 1959-1966; 1968-1971; and post 1972. Funds to underwrite the digitization of these reports, Board of Pharmacy Examination questions (Item # 214023), and the Board of Pharmacy Rules and Regulations (Item #214924) were provided by the Jere Matchett Memorial Fund. This donation also funded the scanning of photographs of drug stores across Kansas to include them in Kansas Memory.

16. The renewal of certificates or re-registration of licentiates is required by law, and such renewals must be made during the month of July in each year, on the blank which is mailed from the secretary's office on the first day of July. The fee for renewal is $1.00 and must accompany the notification of continuance in business. Failure to comply with this provision of the law will result in the erasure of the name of the pharmacist from the register.

17. Restoration may be made by the pharmacist whose name has been stricken from the register for non-renewal, by the payment of a fee of $5.00, and the presentation of an affidavit, to be furnished by application to the secretary.

18. The secretary of the State Board of Pharmacy shall, on the application of any party, issue to such applicant a certificate or statement showing that the person named in the application is a registered pharmacist, a registered assistant pharmacist, or neither as the case may be. The secretary shall be entitled to and receive a fee of twenty-five cents for each such certificate or statement which he may issue, such fee to accompany the application. (L. 1887, ch. 174, No. 9; No. 8109, G. S. 1909.)

19. A pamphlet copy of the Pharmacy Laws will be furnished to applicants by mail on receipt of postage.

20. When complaint is made of violation of the law, always give the name and address of the party and of the county attorney, and information of the kind of evidence that can be secured.

21. The members of the Board, being sworn officials of the state, request their personal friends and others to abstain from giving leters of ability or testimonials of competency to the applicants for examination for registration, as such writing can have no influence in the conduct of the Board.

22. Any pharmacist holding a certificate of registration from any other State Board of Pharmacy whose requirements for registration are approved by the Board of Pharmacy of the State of Kansas, may receive a certificate of registration in this state, without examination, upon the payment to the Secretary of the Kansas State Board of Pharmacy a fee of twenty dollars and such certificate may be renewed annually, in accordance with regulation 16, upon the payment of the same fee as is required to be paid by other registered pharmacists of this state.

23. The fee for interchange certificate is $1.00.

Requirements for Recognition of Schools of Pharmacy by the Kansas State Board of Pharmacy.

1. The institution shall be incorporated as a college or school of pharmacy, or a department of a regularly incorporated educational institution, or a department of a State University, or conducted by an incorporated pharmaceutical society.

2. The school or college shall have been in continuous operation

in America for at least five years prior to the date of application for recognition.

3. The value of the apparatus and equipment belonging to such school or college shall be at least ten thousand dollars.

4. The dean or presiding officer of the faculty must be a graduate in pharmacy, and be a trained, practical pharmacist.

5. The institution shall include in its courses of instruction oral lectures, personal laboratory work, recitation and reviews.

6. The requirements for admission of students to the school or college shall be: (1) a minimum age of 17; (2) one year of high school, or equivalent education.

7. The course of study given by the college or school shall consist of not less than two years, of thirty-one weeks each, and at least two months intervening between the first and second years. In each week's work there must be not less than ten hours devoted to lectures and recitations, and not less than ten hours devoted to laboratory work.

8. Only such schools will be recognized as maintain day sessions.

9. No time allowance is accorded the diplomas of Doctors of Medicine, Dental Surgery or Veterinary Medicine, in lieu of the professional requirements for admissions to the pharmacy licensing examination.

Requirements of Candidates for Reciprocal Registration.

1. That they shall be twenty-one years of age.

2. That they shall have had at least a grammar school education or its equivalent.

3. That they must present evidence of good moral character

4. That they shall have had at least four years actual experience in a pharmacy where physicians' prescriptions are compounded and dispensed under the direct personal supervision of a registered pharmacist.

5. That they shall ahve passed an examination on Pharmacy, Chemistry, Materia Medica and Practical Work and have made not less than 75 per cent general average and not less than 60 per cent on any one branch.

6. That the applicant must have practiced his profession at least one year prior to making the application for recriprocity and subsequent to his examination by the Board from which they come.

7. That they shall certify that they expect to reside in the state from which they are asking reciprocal exchange.

8. That they shall have paid a fee of five dollars ($5.00) to the secretary of the National Association of Boards of Pharmacy, A. F. Sala, secretary, Winchester, Indiana.

KANSAS STATE BOARD OF PHARMACY

NOTES AND INFORMATION TO PHARMACISTS.

In order that anyone may become familiar with the requirements of the pharmacy law, the following rules and interpretations of the law by the Board of Pharmacy have been printed, to which the special attention of every druggist in the state is called, and your assistance and co-operation in maintaining and enforcing the same is respectfully solicited by the Board.

Who Has Charge of Your Store?

The very first requirement of the law is that every pharmacy, or retail drug or chemical store shall be under the direct supervision of a REGISTERED PHARMACIST, who shall take charge and manage the same.

Temporary Absence.

The Board of Pharmacy construes the words, "temporary absence" to mean that a registered pharmacist can only leave his store in charge of an assistant pharmacist when it is necessary for him to be absent on duties in connection with that business, not to exceed two or three days at a time; that he can go out to meals, be out for an afternoon or evening, but that he can not go out on a vacation of two weeks, nor can he engage in any other business, and put in an hour or two at his store, unless he has in his employ a registered pharmacist who is in charge of the store. The expressed intention of the pharmacy law is to keep every drug store or pharmacy under the immediate charge and supervision of a registered pharmacist during all the time the drug store or pharmacy is open for business.

Assistants or Apprentices.

Assistants may only sell medicines, poisons, or put up prescriptions when working directly under the supervision of a registered pharmacist.

Display of Certificates.

Every certificate must be kept conspicuously displayed in the store in which the holder of the same is engaged.

Dealers

Dealers, other than pharmacists, cannot sell drugs, poisons, medicines, or chemicals for medicinal use.

Forwarding Certificates.

Certificates or diplomas are forwarded by mail, but if so desired, they can be sent by registered mail or express on payment of charges.

KANSAS STATE BOARD OF PHARMACY

Ownership

Any person or firm may own a drug store, but there must be a registered pharmacist in charge.

Application Blanks.

Application blanks are furnished by the secretary. When filled out, they must be sworn to before a notary public, and returned to the secretary with the fee.

Change of Address.

If you change your address at any time during the year, please notify this office at once in order that we may change our registration books accordingly, and that mail from this office may reach you promptly.

Deaths.

Please notify this office of the death of any registered pharmacist or assistant registered pharmacist occuring within your knowledge during the year, giving the date thereof, if possible.

Complaints.

During the past year the Board has received a number of complaints in regard to violations of the pharmacy law, all of which were accorded prompt attention.

It is the earnest desire of the Board that all infringements of the law be at once brought to the attention of the secretary, especial care being taken that the complaint is filed in proper form, as it is obviously impossible for the Board to expend the public funds in investigating vague or trivial charges.

Field Secretary.

This office is elected by the Board. His duties are to inform the druggists and country merchants in regard to the pharmacy law, and advise with them as to their rights and privileges thereunder, generally to see to the enforcement of the pharmacy law in the state, and to make report to the Board at its quarterly meetings or oftener as may be required. He has from time to time been requested to work with the local authorities in the suppression of the cocaine traffic. The state has been divided into five districts. One district has been assigned to each member of the Board, and the field secretary in all prosecutions for violations and investigation acts in conjunction with the secretary and the member in whose district the violation occurs.

The following data is necessary to justify the Board in taking up a complaint:

1. Name of proprietor or firm.
2. Name of business, city or town, street number.
3. Who sold the poison or compounded the prescription?
4. Name the article sold. Sample should be marked and retained by the purchaser.
5. Date and time of day of purchase.
6. Who was in the store and witnessed the purchase?

Complaints made in proper form will receive immediate and

impartial attention, and the Board wishes at this time to emphasize the fact that to fully enforce the requirements of the law it needs the co-operation and assistance of all good citizens and especially of the registered pharmacists, who should render all possible aid in upholding the Board in its work.

The state provides that certain domestic remedies and medicines may be sold by dealers in rural districts, provided such dealers in rural districts first obtain a license from the State Board of Pharmacy empowering them to make such sales.

The secretary desires to offer the thanks of the Board to the following leading pharmaceutical journals:

Western Druggist, National Druggist, Meyer Bros.' Druggist, Merck's Report, The Druggist Record, The Druggist Circular, The Practical Druggist, The American Druggist, The Rocky Mountain Druggist, The Drug Clerk's Journal, The Pharmaceutical Era, and Northwestern Druggist.

Every druggist in the state should join the American Pharmaceutical Association and the Kansas Pharmaceutical Association.

Look through the roll of registered pharmacists and see that your name and address is correctly printed. If not, advise the secretary. Advise him of anyone engaged in the drug business whose name is not on the list.

The secretary is not in the druggists' exchange business. However, he as a rule has a list of applicants on hand wanting positions. Also a list of druggists wanting clerks, and will be glad to answer all communications promptly at all times. All those appying should be as explicit as possible. Those wanting positions, state age, if registered, number of years' experience, previous employer, etc.

All communications addressed to the secretary will be answered promptly on the day same are received.

Rules for Dispensing Poisons.

It shall be unlawful for any person to sell at retail any poison enumerated in the following list, except as follows: Articles shall not be sold without distinctly labeling the box, vessel or paper in which said poison is contained, and also the outside wrapper or cover, with the name of the article, the word "Poison," and the name and place of business of the seller. It shall be unlawful for any proprietor, or owner of any drug store or pharmacy, or any registered pharmacist to sell or deliver any article included in the schedule, without before delivering the same to the purchaser, causing an entry to be made in a book kept for that purpose, stating the date of sale, the article sold, the quantity thereof, the purpose for which it is represented by the purchaser to be required, the name of the dispenser, and the name and address of the purchaser signed by himself. Such book to be always open for inspection by the proper authorities and to be preserved for at least five years:

A motion was made and carried that this Board accept reciprocal registration with members of the National Association Boards of Pharmacy, in accordance with the following resolution:

Whereas, we, the Kansas Board of Pharmacy, realizing that injustice is being done to many good pharmacists coming from other states to this state in being compelled, under the present practice of this Board, to undergo another examination in order to register in this state and

Whereas, we believe that a correct construction or interpretation of the pharmacy laws of Kansas gives the Board the right to accept the examinations of certain other state in lieu of an examination by this Board, in order to grant registration to such persons as come, with the proper credentials and evidence, therefore,

Be It Resolved, by the Kansas Board of Pharmacy in regular session assembled, that we, the members of said Board, individually and collectively, hereby accept the standard for reciprocal registration as adopted by the National Association Boards of Pharmacy, as set out in a written agreement, a copy of which is filed in the secretary's office; and that we will, under proper restrictions, register such parties com-

ing from those states whose Boards of Pharmacy grant the same privileges to examinees of this Board; and be it further

Resolved; that the president and secretary of this Board of Pharmacy are hereby authorized and instructed to sign the National Association Boards of Pharmacy agreement above referred to.

We, the Board of Pharmacy of the State of Kansas hereby agree to grant Reciprocal Certificates of registration to any applicant from any other state which is a member of the National Association Boards of Pharmacy that has required of its candidates the following qualifications:

1. That they shall be twenty-one years of age.
2. That they shall have had at least a grammar school education or its equivalent.
3. That they must present evidence of good moral character from two registered pharmacists in the state from which they come.
4. That they shall have had at least four years actual experience in a pharmacy where physicians' prescriptions are compounded and dispensed under the direct personal supervision of a registered pharmacist.
5. That they shall have passed an examination on Pharmacy, Chemistry, Materia Medica and Practical Work and have made not less than 75 per cent general average and not less than 60 per cent on any one branch.
6. That the applicant must have practiced his profession at least one year prior to making the application for reciprocity and subsequent to his examination by the Board from which he comes.
7. That they shall certify that they expect to reside in the state from which they are asking reciprocal exchange.
8. That they shall have paid a fee of five dollars (5.00) to the secretary of the National Association of Boards of Pharmacy, A. F. Sala, secretary, Winchester, Indiana.

KANSAS STATE BOARD OF PHARMACY

SPECIAL MEETING

A special meeting was called by President W. S. Henrion for the purpose of organizing the Board for the ensuing year in accordance with No. 8096, statutes of 1909, and to adopt the requirements for recognition of Schools of Pharmacy.

The following members were elected as officers of the Board for the ensuing year:

W. S. Henrion, President.
M. W. Friedenburg, Treasurer.
W. E. Sherriff, Secretary.
W. S. Dick, Chairman of Finance Committee.

The following requirements for recognition of Schools of Pharmacy by the Kansas State Board of Pharmacy were adopted:

1. The institution shall be incorporated as a college or school of pharmacy, or be a department of a regularly incorporated educational institution, or a department of a state university, or be conducted by an incorporated pharmaceutical society.

2. The school or college shall have been in continuous operation in America for at least five years prior to the date of application for recognition.

3. The value of the apparatus and equipment belonging to such school or college shall be at least ten thousand dollars. ($10,000.00)

4. The dean or presiding officer of the faculty must be a graduate in pharmacy, and be a trained, practical pharmacist.

5. The institution shall include in its courses of instruction oral lectures, personal laboratory work, recitation and reviews.

6. The requirements of admission of students to the school or college shall be: (1) a minimum age of 17, (2) one year of high school or equivalent education.

7. The courses of study given by the college or school shall consist of not less than two years, of thirty-one weeks each, and at least two months intervening between the first and second years. In each week's work here must be not less than ten hours devoted to lectures and recitations, and not less than ten hours devoted to laboratory work.

8. Only such schools will be recognized as maintain day sessions.

9. No time allowance is accorded the diplomas of Doctors of Medicine, Dental Surgery or Veterinary Medicine, in lieu of the professional requirements for admission to the pharmacy licensing examination.

KANSAS STATE BOARD OF PHARMACY

The list of registered pharmacists and assistant pharmacists on the following pages will serve as an index to those who are entitled to practice pharmacy in Kansas, and I would very respectfully request that all those who receive this report carefully look over the list of names and note whether there are any practicing pharmacy whose names do not appear on the list, and, if so, report the same to the secretary of the Board. Bear in mind the fact that there are some who are changing their locations at times, but their names should appear in the alphabetical list, or in a list of those whose names have been stricken from the register for not having renewed their registration, or in the list of those who have died. Again, there will be some who will register during the year, and whose names will not appear in this report. We will gladly answer any inquiry regarding their registration.

W. E. SHERRIFF, Secretary.
