

Atchison, Topeka and Santa Fe Railway Company's freight station, San Francisco, California

These five photographs show the Atchison, Topeka and Santa Fe Railway Company's freight station at the China Basin in San Francisco, California. The first photograph shows the freight station. In the background the Youngstown Kitchens and the Shell Oil Company buildings are visible. The second image shows the loading docks at the freight station. In the far distance the Union Oil Company building is somewhat visible. For the third photograph Pier Fifty-Four and the yardmaster's office from China Basin are evident. The fourth image shows the yard from the Illinois Street interchange. While the fifth photograph shows the loading docks at the station. In the distance the Union Oil Company building is somewhat visible.
