

## **Dr. Charles F. Menninger and his interests**

These black and white photographs showing Dr. C. F. Menninger's involvement in many activities in Topeka, Kansas. These interests were reflected in his work as a physician. Includes photographs of buildings in Topeka, Kansas State Board of Health, Reinisch Rose Garden, Christ Hospital. Dr. C.F. Menninger and his sons, Dr. Karl and Dr. Will, formed a group psychiatry practice in 1919. The Menninger Clinic as a sanitarium was established in 1925 with the purchase of a farm house and admittance of 12 patients. The philosophy was that mental illness could be treated with an integrated medical, psychodynamic, and developmental approach for the total health of patients. His interest in horticulture was reflected not only in his home and garden, but in the development of a horticulture therapy at the clinic. One photograph shows the north side of the 100 block of West Sixth, Topeka.
