

William James Research Building, Menninger Clinic, Topeka, Kansas

The Lindell house was purchased by the Menninger Foundation in 1952. It was first used as part of the research department and later for offices for professional staff. Menninger is a leading psychiatric hospital dedicated to treating individuals with mood, personality, anxiety and addictive disorders, teaching mental health professionals and advancing mental healthcare through research. It was located in Topeka, Kansas, from 1925 to 2003 and is now in Houston, Texas.
