

#### John Bernard White, World War I soldier

Around 1919, the Kansas State Historical Society and the American Legion solicited biographical information from returning veterans (primarily members of the 35th and 89th infantry divisions) and the families of those who died in service, notably from the Gold Star Mothers. Each veteran or family member was asked to provide letters, photographs, a biography, and military records. This file contains information on John Bernard White, 38th Regiment.

Mrs. John B. White, East Hutchinson, Kansas.

Dear Madam-

I have your favor of recent date. It is our desire to secure a photograph and brief sketch of the life of every Kansas soldier, and every man who was a soldier from any other state if he was born in Kansas. I desire the photograph to place on file here and to be retained here. We desire copies of any letters soldiers have written from overseas. It is not too late to send these, in fact this is the work of a life time we are entering on and we hope to have the cooperation of the people whose sone were in the army. We do not wish to write a history of these soldiers with anybody left out. These publications will be of various kinds and will extend over a generation.

Sincerely yours,

Secretary
