

Kansas Memory

Transactions of the Kansas State Board of Agriculture, 1903-1904

Section 30, Pages 871 - 900

This biennial report from the Kansas State Board of Agriculture includes information on general Kansas agriculture, potato production, dairying, railroads, live stock, sugar beets, and homemaking. It also covers Kansas at the World's Fair, road building, and the proceedings of the State Board of Agriculture. County statistics include population, acreages, productions, live stock, and assessed valuation of property. State statistics and crop and livestock statistics are also included.

Date: 1905
