

John Connelly, M.D., and George Athey, Ph.D.

This photograph shows Dr. John Connelly and Dr. George Athey who worked with patients in the Alcohol and Drug Abuse Recovery Program (ADARP) at the Menninger Clinic. They often dealt with dual addictions. Menninger is a leading psychiatric hospital dedicated to treating individuals with mood, personality, anxiety and addictive disorders, teaching mental health professionals and advancing mental healthcare through research. It was located in Topeka, Kansas, from 1925 to 2003 and is now in Houston, Texas.

Date: Bulk 1982-1989
