Allen County, Kansas, floods--1951

Section 1, Pages 1 - 30

These numerous photographs show flooding and flood damage from the Neosho River in Allen County, Kansas. High water marks can be seen on many buildings, as well as debris and destruction left by the water. Many homes, businesses, and public buildings were affected. These photographs were part of a preliminary survey by the Flood Control Committee of the Iola Chamber of Commerce on August 10, 1951. Many of the photos have additional information on their backs.

Date: July 1951
