Dear Sir

Your kind favr of 31st ult rec'd and in compliance with request I now name I would say with reference to time of meeting in Parsons that any night between the dates mentioned would suit us (i.e between 20th and 25th) but either Friday night 21st inst or Tuesday night 25th would probably suit as well as any night if you leave us to fix the time

All the temperance people of the city both as organizations and individuals are heartily interested and a large number of our citizens who are not temperance people will give you audience Please let us hear from you as many days in ample time to properly advertise the meeting Very Truly Yours
