E. STEVENS, County Clerk.

Gov St John,

Inute to you because I do not know, exactly who the proper person is,

My last labor has been in this County. The success, especially the popularizing of the Amendment is, even to myself surprising. Smith County is not only armed but organized and at work Her best men are enlisted + My especial purpose in writing is to recommend to the Executive Committee, the employment of Dr Neely Thompson of Smith Centre, as an advocate — Personally, politically and socially he is strong and able. Please see that he is, at least Counseled, and fully informed of the movements and work of the Campaign "For the amendment". As to the matter of transportation over the K P I never heard anything further than that application would be made — I am not wholly dependent Yet it is easily seen how good, honest, poor workers are driven out of the work. I am poor enough, but can get over R R Cs

Your friend Truly
