Sir. I see it reported that you are in favor of leaving ~~out~~ the temperance Amendment out of politics.

I hope this is True and I believe that the leading Republicans of Allen County who favor the amendment want it left out of the party platform I favor the Amendment and expect to advocate it and willing to go anywhere to speak in it favor yet believe as a party it would lose us many votes if made a party issue. Allen County will give at least two hundred majority in favor of the Amendment
