### A Prayer

Our Father, God of the Nations, Thou who hast made of one blood all people on the earth, teach us the language of universal love, so that we may know how to talk to all Thy children. Bridge the deep chasm that separates us from our Brothers and Sisters in Christ.

Give us a clear vision of our common birthright as members of one household; and may we who have tasted the strength and sweetness of the Bread of Life be eager to give to those who are hungry, but have never been fed. Make the world smaller to us because we know it better, and make it larger because Thy love for it all cannot be bounded.

Through Christ our elder Brother.—Amen!

C. M. S.
