Col A. B. Campbell,

Adjutant General;

I am just in receipt of your Communication of the 14th and would most respectfully state, that we desire to reorganize our Company, and hold our place in the 1st Regiment. With this purpose in view we called a public meeting on Friday evening last, and which (they think) was captured by the Strikers or sympathisers with them, but in which they realy fell into a trap laid especialy to size up the strength of that sentiment. The result is a general awakening of the best citizens, to the fact that a good Company is a necessity; and arrangements have been set on foot, for such an organization, backed by a first organization of at least an equal number of good citizens, mostly veterans. If possible to carry out this plan - we would like to ask you as to when we can get Uniforms and extra Rifles, and Equipments, if you authorize us to go ahead.

Respectfully Yours, E. Bullwood

Dear Sir

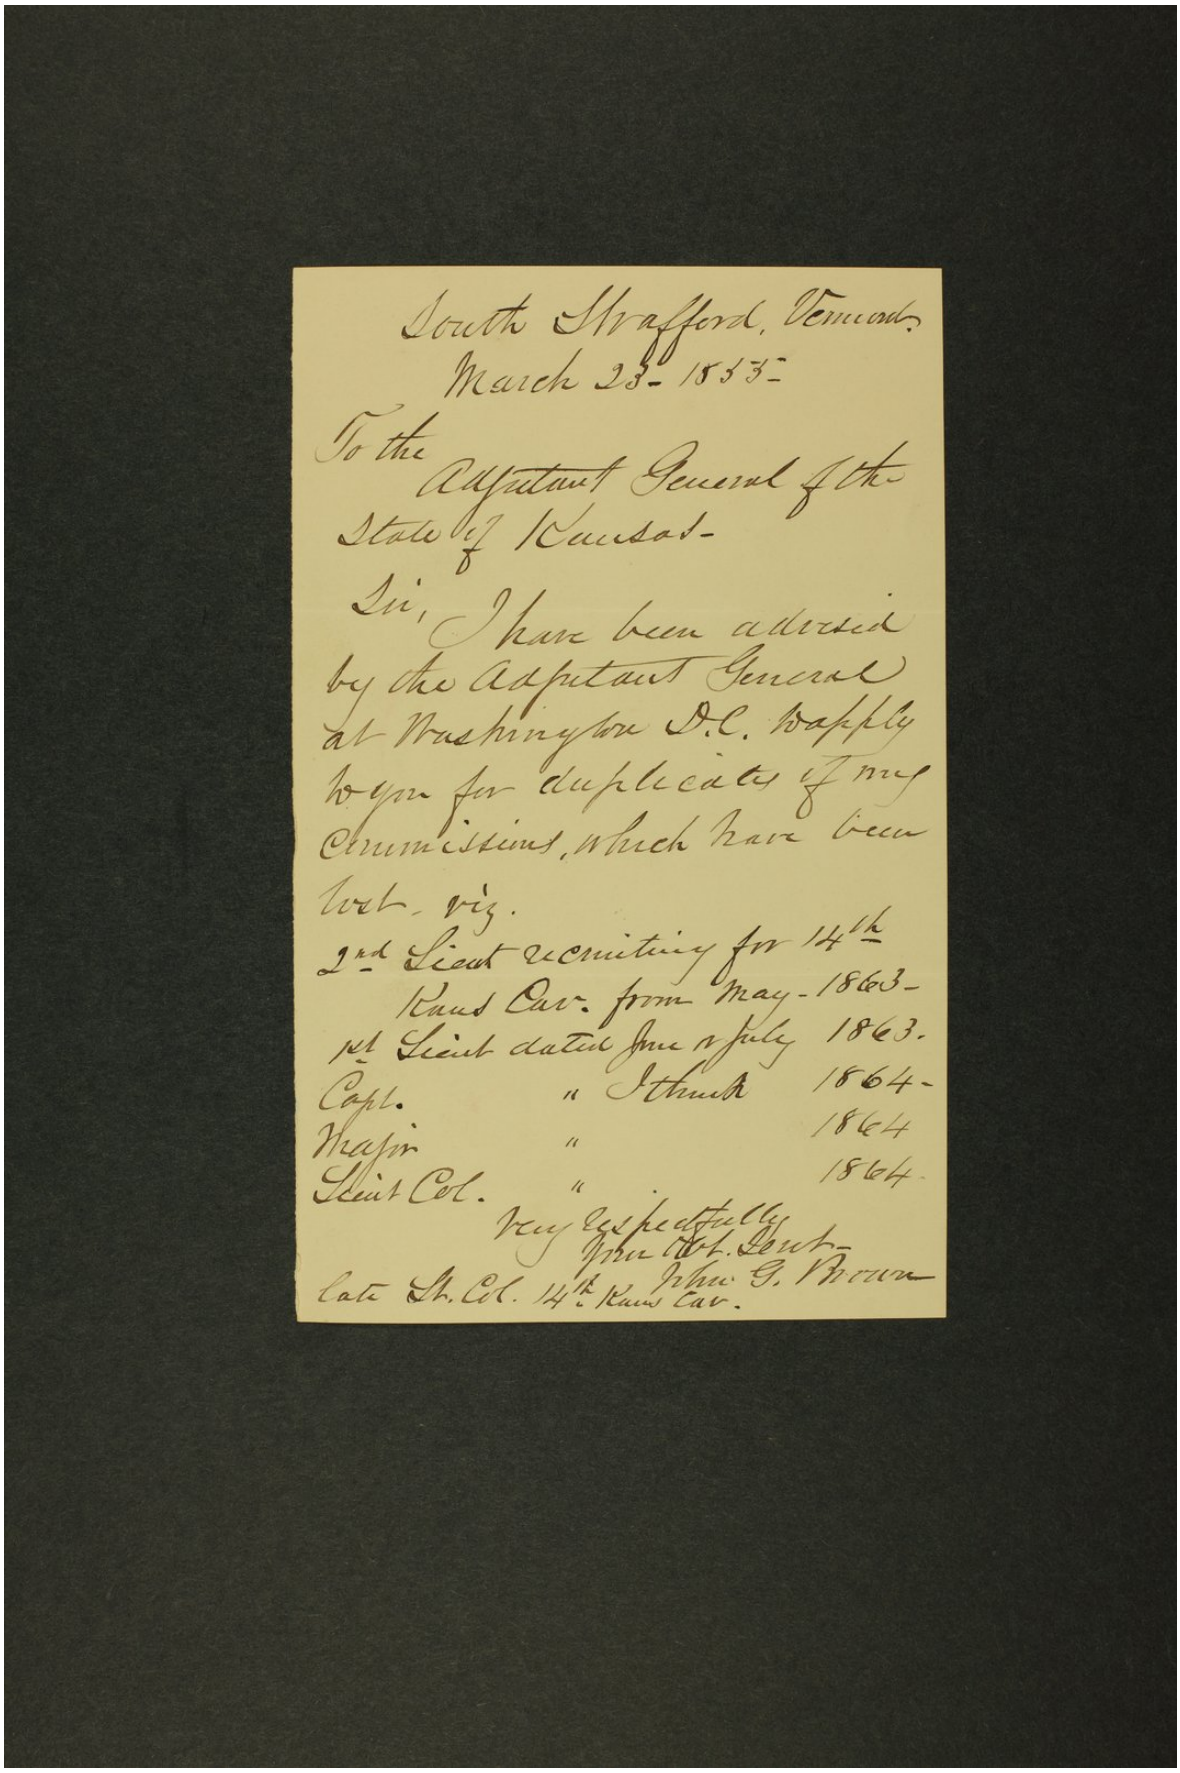

Yours of the 20th recd contents noted in reply would say. Cleared finds enclosed Muster Roll and Muster Ordnance Report, as I remarked in my last letter, it is very strange there is no record on file in that Office, there must certainly be some record of last Encampment showing the status of the Militia at that date, Sept 1882 if that is a fact then the Muster Rolls of this Company furnished that Office at that time showed the majority of this Company time had expired at that date, the Enlistment papers furnished that Office of the members of this Company, also show that many of the had expired, that things have been furnished that Office, I am willing to shoulder some blame, but that Office not me is to blame that nothing on file in that office shows the standing of this Company up to Sept 16th 1882. I got from Gov Osborn from Gov Osborn to report at Camp with my Company then

and rendered had to pay transportation
but never received pay for the men for
services rendered per agreement. I have
a faint recolection of making out pr Orders
& pay Roll for said services but that must
have failed to be placed on file for future
reference, We have been full of ambition
to render our State service. and pay for the
privelege, whether you could call it laudable
or not, it has been rather expensive
but we have this satisfaction. that
when we have been called upon for
duty, we have come to the front every
time, and done our duty as well as
if we had been paid for it. So my
Dear Sir, I have no ambition to render
the state any further service. I have
rendered her good and faithfull
service as one of her Militia. and in
years gone by, I rendered my Country
service, which it never Something

now to quit, and let some more ambi

my interest was in the welfare of the

Dear Sir:- I sent you this morning a list of names of Staff officers to be Commissioned by the Governor. I am sorry that General Fuller did not make his wishes concerning his Sola friends known sooner - I should have been pleased to have given him the appointment named -
Col Deighan of Emporia who has been selected for the position is a good lawyer - was a fine Soldier and is well qualified for any position in the Military service of the State. Let Genl Fuller give his friend the best position at his disposal, and I will take care of him as soon as possible

I am pleased to note a disposition on the part of the best military talent of the state to take hold and assist in the organization of the Militia. I see no reason why we cannot during the Summer fill up the Regiments allowed us by law, and perfect an organization which will be an honor to the State. I should be pleased to have a copy of the late law as soon as it can be obtained.

Sir:

On October 15. 1864 the Governor of Kansas ordered Co "D" Frontier Battalion Cavalry, Kansas State Militia, into active service. Will you please inform us by whom this company was paid, and whether by Kansas or the United States.

If they were paid by the State has it been reimbursed by the General Government, and if so, under what act of Congress?

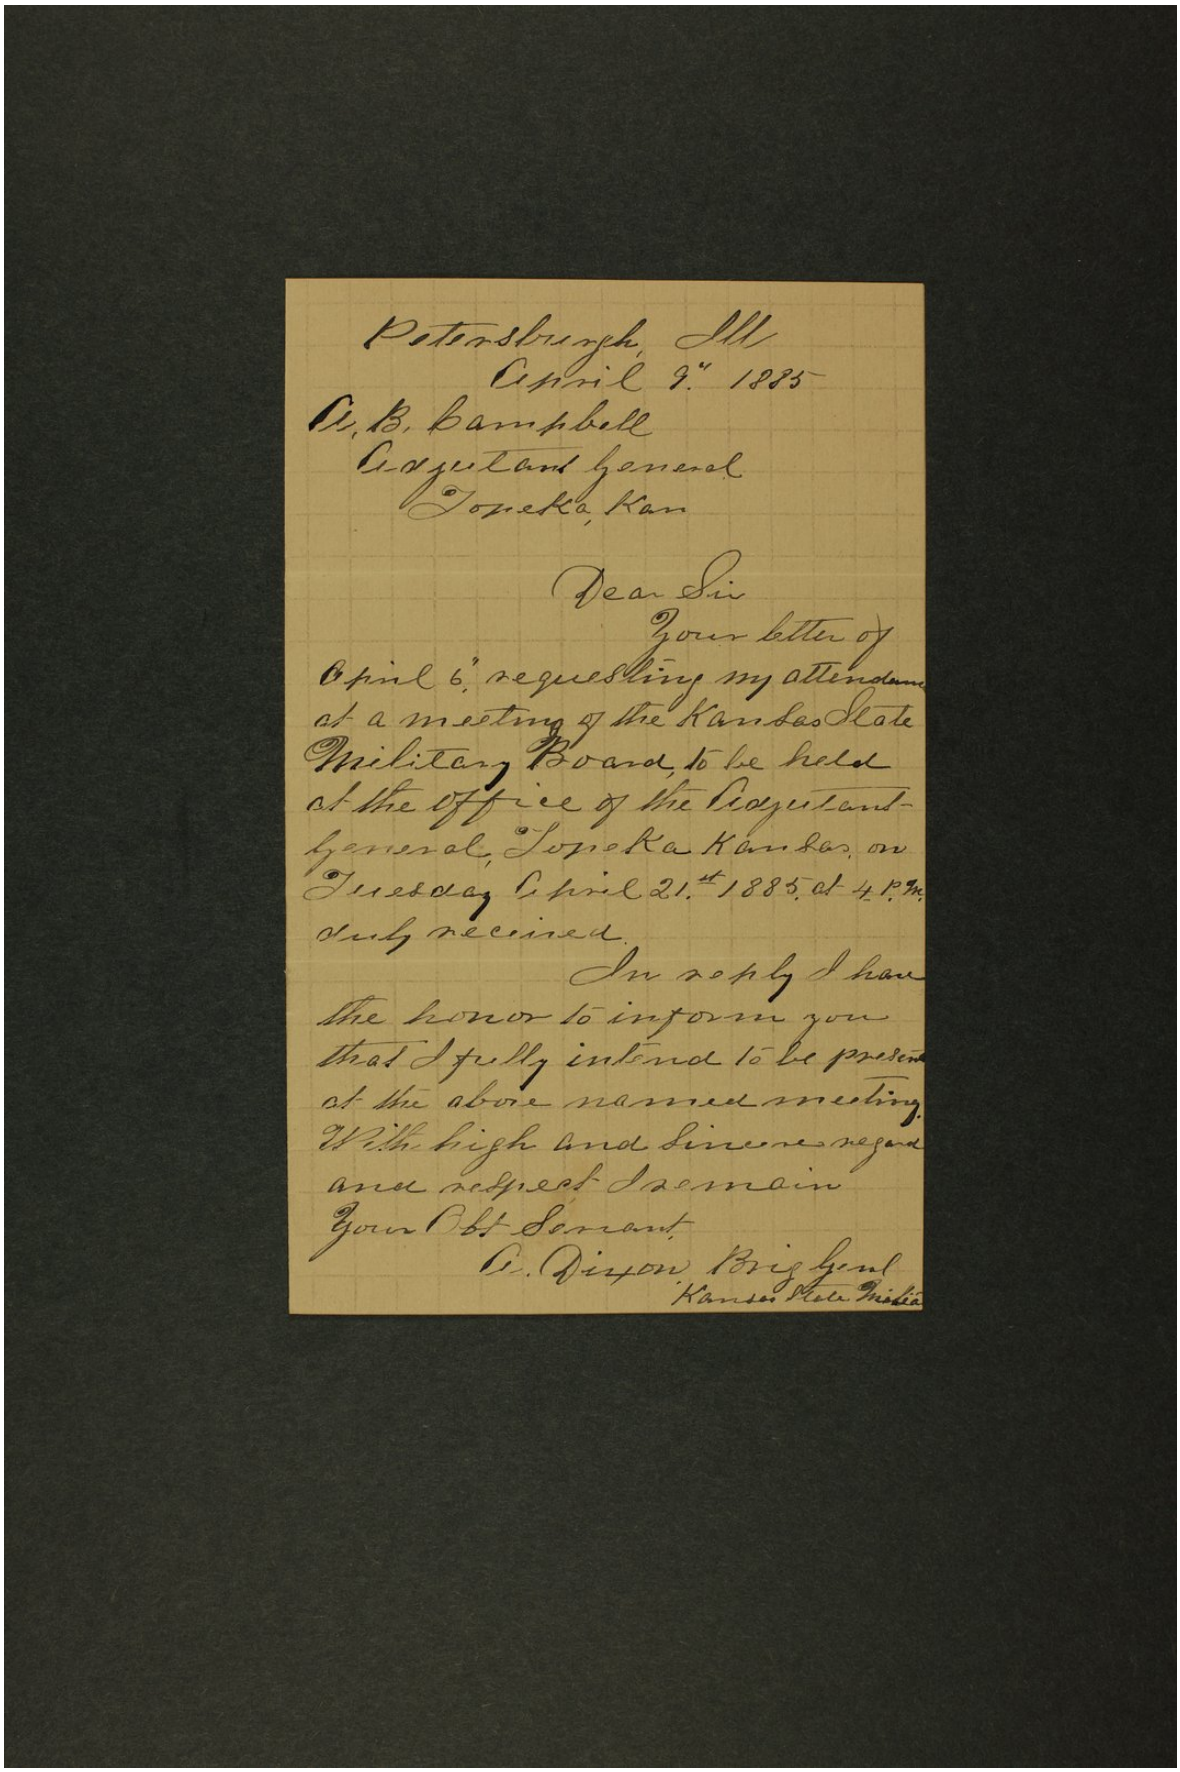

We would be pleased to hear what your records may show, bearing upon the question whether this company was in the U.S. service, or under orders of U.S officers from Oct. 15 1864 to Nov. 15, 1864.
