Kansas Woman's Christian Temperance Union permanent records

Section 3, Pages 61 - 90

These permanent records of the Kansas Woman's Christian Temperance Union include the records of the treasurer, contracts concerning publications, sworn statements of elected trustees, correspondence with potential speakers, candidate information relating to prohibition laws in Kansas, and meeting minutes. There is also correspondence concerning the Kellogg-Briand Pact, an international peace agreement signed in 1928. One letter clearly disapproves of Maude Royden, an English suffragist, from fulfilling her presentation for the Y.W.C.A on account of her tobacco use. A copy of the charter of the Woman's Christian Temperance Union of Kansas, signed by Secretary of State Frank J. Ryan is also included. There are several other groups of official Kansas WCTU records on Kansas Memory. They can be found by selecting Collections - Manuscript - KWCTU/Mary Evelyn Dobbs.

Dear Miss Nichols:

I have your letter relative to the literature to be furnished in accordance with the contract for advertising in the state paper.

No copy of the contract has been sent me. I have written to the editor about it. She was new last fall and I presume may not have known about this. When were these contracts sent out? She took over the paper in October. It may have been sent earlier and Mrs Grover was too ill to look after it.

Could you furnish another copy of each sending to me and I will see that it is properly signed up, and returned to you. We have worked under difficulties this year. Mrs Prather has been called out of the state twice for some time on account of illness in her family.

Hope we can get this straightened out so we can have the benefit of the advertising done. I am sending you the clipped advertising so you will know what has been carried by the Kansas state paper, Our Messenger.

Yours very truly,

Cor Sec Kansas W.C.T.U.

Dear Mrs Prather:

Did you receive a contract from National last fall for the Advertising for Union Signal and Young Crusader and for the New Literature from the literature department of National.

It was to be filled in and one copy returned to National one sent to me and one I think it was in triplicate to be held by you.

I always use the literature advertising allowance which must be taken in literature from National for the Program material.

I wrote to National this last week asking them about this and they report that the contract was not filled out and returned to them. Will you kindly look it up and see if you have it and if so fill it out and send to me that may be able to get the literature.

It is headed

This should have been accepted and returned some time ago.
The limit when the literature and subscriptions can be used
is July first.

Because this has not been taken care of they are giving me
a week extra in whixh to get this returned and to get in
my list of literature desired. But they say they will have to
have the contract in order to check up on the amount of adver-
tising run.

Will you please look this up so we can have the benefit of
the literature and the Subscriptions.

I am writing to National that I have written to you asking
for this. Did you send it on to Mrs Mitchner? If so she may not
have returned it.

Hope your daughter continues to improve.

Dear Friend:

We received your letter with regard to order for literature on advertising credit in State Paper to July 1, 1934. In referring to our files we do not find your signed contract and evidently you have failed to return this to us. Kindly send the contract back at once and if you will send in your order for the literature the first week in July we will, this time, make an exception to the rule and let you have the literature provided the advertising checks out in accordance with the terms.

Mrs. Lillian M. Mitchner,

Dear Co-Workers:-

Realizing that July First, the time for expiration of the advertising contract is drawing near, let us take just a few minutes of your time to consider the advertising of our National Official Organs and W.C.T.U. literature in your state paper. There will be no change in the conditions as given in last year's proposition, but we are glad to repeat as below, the Department Offers and Conditions. Each department must receive copy of paper when issued. It is quite important that a copy of the contract reaches the editor- we mention this because of fact that in some cases both copies have been retained by the State President and the editor is not aware that such contracts exists.

CONDITIONS

The National W.C.T.U. will take space in state paper for advertising the official organs and the literature under the following conditions:

- 1-Two contracts must be signed- one for Circulation Department- one for Literature Department.
- 2-Requisition for subscriptions and for literature must be in by July 1, 1923 to be honored. No exception can be made.
- 3-Manager Literature Department and Manager of Circulation Department must receive regularly copies of the state paper in order to check advertisements.
- 4-The "ads" must appear in each issue of the paper.
- 5-Advertising credit cannot be applied on account.

CIRCULATION DEPARTMENT OFFER

In exchange for a three-inch minimum insert in your advertising columns, and according to conditions given above, the Circulation Department will send to

addresses furnished by you, subscription to the weekly edition of The Union Signal or Young Crusader (four subscriptions being regarded as the equal of one subscription for the regular weekly edition), number of subscriptions given to be based on Circulation of your paper as follows:

| | | |
|---------------------|---------|--------------|
| Circulation to 1500 | - | Six Subs. |
| Over 1500 | to 2500 | Eight subs |
| Over 2500 | to 5000 | Ten subs. |
| Over 5000 | - | Twelve subs. |

LITERATURE DEPARTMENT OFFER.

In exchange for three-inch minimum insert devoted to items from its department- this insert to appear in each edition- the Literature Department offers at list price, catalogue supplied, with the exception of books issued by other publishing houses. Credit as follows:

| | | |
|---------------------|-----------|------------------------------|
| Circulation to 1500 | - - | \$10.00 credit in literature |
| Over 1500 | to 2500 | \$12.00 " " |
| Over 2500 | to 5000 | \$15.00 " " |
| Over 5000 | to 10,000 | \$18.00 " " |
| Over 10,000 | - | \$20.00 " " |

We are enclosing three contracts for each department: one copy to be retained by the Editor and one by Editor-in-Chief; one copy for each department to be signed and filled in as to circulation and returned to National W.C.T.U. Evanston, Ill.

We very much appreciate the liberal space given by many of the state papers in the past and hope for an early response with acceptance of our offer.

Very cordially,

Miss Cora F. Stoddard:

Dear Miss Stoddard:

In Kansas we are in need of some literature on the cider question. We liked very much the leaflet cider as an alcoholic drink but National tells me that they are out of that and that it will not be reprinted. They sent me another smaller leaflet I enclose copy which does not give figures and statements which were to us so valuable.

Have you anything else on this line that would be good to use. It used to be that cider was not a menace to us but since the 18th amendment we have had trouble with stills, home brew and commercial cider.

I hope that you can help us out on this.

Wishing you a happy Christmas, I am,

I am personally acquainted with Mr. and Mrs. Edward Clutter of the Wichita Bible Seminary and you could receive from them knowledge as to my qualifications as a public speaker.

I do not know of any county organization but would work hard to organize one. There is a lecturer comes here each year I believe but I do not remember his name.

I would like to become a member of the W.C.T.U. for I always am interested in their work.

If it is to you miss Dobbs my application must be given I hereby submit it, hoping it will be received three months before the annual election. I am Conductress in the Eastern Star and could get their endorsement also, our Pastor is Mr. F. A. Emerson of Joff Christian Church. I would be pleased to get further instructions from you.

With the seasons best wishes

Dear Mrs Collins:

Your letter at hand . In 2yI note what you say about
wanting to belodg to the organization.

There is a union at Corning Kansas . The county president
lives there and is Mrs Cora Kerns. I do not know whether she would
be willing for you to do work in the county. One has to do successful
work in her own county and be recommended by the local and county
union. You see you cannot yet meet that requirement.

We do not make any promise that we will keep our workers
busy all the time. Those who have the most experience we of course
can use most and others have to learn and go when the way opens.

Yours very truly,

Dear W.C.T.U. workers -

Wishing to help in the crusade against the curse on our country's fair name I write you, I desire to prepare myself for a lecturer. Being a lady I find it hard to obtain a church to preach for regularly as all churches desire men it seems. I have been ordained for seven years and my youngest child is now in school which leaves me free to do work of this kind. Hold a degree from Minneapolis Bible College "Bachelor of Sacred Literature". Miss Minnie Stockerbrade of the State Council of Religious Education, ^{to help} known as my work in Bible School preparation. Ms. Birdie Fend, matron of Eastern Star and Mr. Wm Rolfe Bible School Supt of Topeka, and Mr. and Mrs. E. Mrs O.V.Collins:

Goff Kansas.

Dear Mrs Collins:

Your letter was received several days ago, in which you asked about getting in to the lecture work for the temperance cause.

The W.C.T.U. have their regular field workers and the method of procedure is as follows:

"State lecturer, organizer or evangelist must be a Christian woman, a member of the Woman's Christian Temperance Union, a good public speaker, and unless a National Lecturer and organizer, must be endorsed each year by her county officers, passed upon by the official Board and endorsed by the convention."

All new candidates must submit their applications in writing at least three months before the annual meeting and shall be nominated in the official Board by ballot."

These are the requirements. One must be familiar with the work of the organization and all the lines of work and must have done successful work in her own county.

I have your letter telling me thatn we will have Miss Jones February 23-March 9. That will be all right tho it is two weeks earlier than your first letter indicated.

Do you have any publicity about her at all. I want some for the state paper and must have it in hands of editor by the 24th at the ;atest.

Hope you can get it to me.

Please send me material for Mrs Woodford for I must be making her schedule at once so as to get her before the Counties before they have selected their workers for their summer normals. I hope that you can get this to me right away and a lot of it. Before I had such a tim because I did not have enough.

We are pegging away. Two new county organizations and about ten new unions since the close of the year so we are coming on. This Jubilee year we are working to break all records on membership and organizations. The other directors are anxious tooo to have their departments the best ever.
