Hon John P St John
Topeka, Ks.

Dear Governor:- Will you please write a word of encouragement to Prof. A. Axline, Medicine Lodge, Ks. He is an able man, a fluent talker and a strong temperance man. He is one of our original Pratt Co settlers and I know him to be an ardent supporter of yourself in the coming fight. A word of encouragement from you will have a good effect. I am quite sure that he can, if properly aroused, carry Barbour for both yourself and the amendment. Send him any statistical matter you may have for distribution. I have just written on this subject to Rev Richardson.

Your friend M C Davis
