Gen Sir I did not see your
order untill after I had dismissed last
Saturday so I set down and give you
the list as I have it and you will find
it recorded in the office all those
men have taken the oath but 3 or 4
and they left the ranks - it is difficult
to keep the roll for the the people are
changing all the time not more than
will come out to drill at a time now
if there is any way to remedy this I
should like to know it my members
are nearly all former and busy and it is
difficult to get them out unless there is
some law to force them out
