Having suspended Capt. Otto C. Beeler from his command in my regiment — the order for which is herewith enclosed, and made a part of this communication, I respectfully request that his commission be revoked and that he be reduced to the ranks of his company.

My action was caused by his disobeying an order for mustering his company for pay for the time of their late service in the Price raid. — A copy of said order is attached and made a part of this Communication — and also by his statements to his company or some portion of it, that he would obey no order issued by me as Col. of the 1st Regiment thereby preventing a portion of his company from receiving pay, and further tending to demoralize the command — which would

G. Dudley Adj't. General

Sir On Saturday Oct 3 I sent three men to arrest Thomas Barker and bring to Head Quarters Said Barker refused to take the oath and come into this or any other company. The men sent arrested him after some Skirmishing, for Barker was full of fight he said there were not ten men on Mispios Creek that could take him, and his plea is that he is not an able Bodyed man and liable to do Military duties &c, The three men brought him in Barker said he would take the oath but would Sign no papers, Barker is fourty two years old and his plea that he is not an able bodyed man in my opinion is but an excuse to get out of joining the company I await adverse and orders from you what shall be done with Barker
