Dandridge E. Kelsey papers

Section 11, Pages 301 - 330

This collection includes various letters, newspaper clippings, legal instruments and court records from cases in which Dandridge E. Kelsey was either plaintiff or defendant (including the 1890s case involving Kelsey and his son Scott in a dispute over ownership of title to the Shawnee County farm), records regarding Salida, and materials related to his membership in fraternal orders such as the Order of Odd Fellows and the Order of Good Templars. Kelsey served with the 83rd Indiana Infantry, Company B during the Civil War. He traveled around much of the country during his enlistment and then returned to Indiana, though he thereafter began taking exploratory trips out to Kansas. In 1868, after moving to Kansas, he continued his life as a farmer for the next ten years. In 1878, he joined a railroad surveying gang and went to Colorado. Between 1878 and 1892 he divided his time between Kansas and Salida, Colorado, where he was involved in mining, land subdivisions, and other speculative adventures, which apparently did not prosper. He returned permanently to Shawnee County in 1892 and died there in 1904.

JUST A WORD.

The sale of Oxien Remedies has held up steadily, uninfluenced by the period of business depression through which the country has just passed. This we think is the strongest possible testimonial as to the power-to-cure, and the easy-to-sell qualifications of Oxien,—yet we have gleaned from recent letters a few words of praise which we print below, generous warm words spoken right from the hearts of the people. Read the honest sincere opinions of others and reflect, and reflecting make up your mind to-day to order an assorted lot and take up the work in earnest. The new Oxien Utero-Vaginal Cure, the latest addition to our fast-selling remedies has been warmly received and has already proven a "blessing to women." See our latest price list for Combination Lots on dozen or gross orders on other side.

THE GIANT OXIE CO., AUGUSTA, MAINE.

SUFFERED 15 YEARS.

"GIANT OXIE CO. SIRS:—With this I send you $3.00 for your Medi-Cone Pile Treatment. My husband has been a sufferer with that disease for fifteen (15) years and one box has given him more relief than all doctors. Please send by return mail and oblige."

MRS. S. E. RALPH, Ennis, Texas.

ON CRUTCHES A MONTH AGO.

"I can sell OXIEN anywhere in this part of the country as people about here are well acquainted with me and my condition when I began using OXIEN. I was on crutches and could not lift my left foot about a month ago; now I am not lame and get around without crutch or cane."

CHARLES W. HEATH, South Barre, Vt.

GREATEST GOD SEND.

"TO THE GIANT OXIE CO. DEAR SIR:—It is with the greatest of pleasure that I write to you of your wonderful medicine—OXIEN. I do think it is the greatest god send that ever was. It has done so much for me. I have done more work since I commenced to take your medicine than I have for two years. I can't speak high enough of it. I am doing all I can for the sale of it."

JAMES CALANDINE, Hooksburg, Ohio.

HELPLESS ONE YEAR.

"GENTLEMEN:—Having noticed your advertisment, in some paper, of the OXIEN Plaster I wrote you for the Plaster It came and was applied to my shoulder for what I called Rheumatism. Had not been able to get my hand to my head for over one year and now I am thankful to say the shoulder and arm are nearly well. You can write as good a testimonial as you please and put my name to it, also send me two more."

MRS. ELI SHERMAN, Webster, Kans.

WILD WITH NEURALGIA.

"I wish you to know that I was almost wild with Neuralgia and was so nervous and a wreck every way; had no strength, felt as though when I went to bed I never would get up, but I would have to get up and go about my work no matter how I felt. I was so bad I don't know what in God's name I would have done if I had not tried OXIEN. It has helped me greatly. I will be your agent for this town."

Yours truly,
MRS. BELLE D. ROGERS, Ouray, Colo.

NEAR THE GRAVE.

"I feel thankful of what your OXIEN has done for me. I have been so near to the grave I could not do my work nor nothing, but I do my work now and walk two or three miles and back. I sent and got five dollars worth of the OXIEN Tablets, OXIEN Pills, and OXIEN Electric Plasters, and OXIEN Medi-cone Pile Treatment and have taken it almost all myself."

MRS. ANNA PETERSON, Marshfield, Pa.

SCIATIC RHEUMATISM.

"DEAR SIRS:—About one year ago I was taken with a pain in my right hip which was supposed to be Sciatic Rheumatism and which doctors claimed to be difficult to cure. I tried several medicines without benefit when your medicine was recommended to me by a neighbor who claimed to have had the same thing I have, but is now cured by your medicine. So I tried OXIEN for two months and to my suprise it began to have an effect and I am almost well."

Yours truly,
CHARLES KURTZER, Sprague, Neb.

BLESS THE INVENTOR.

"MY DEAR FRIENDS:—I cannot find words to express my joy and gratefulness for your Medi-cone Pile Treatment; the first one gave me relief, and when I used the three I was like a new being, almost well I thought, there was such a change in my feelings. I received the box I sent for last night, and as long as I live my prayer will be, Bless the inventor of Medi-cones. It is one of the most wonderful medicines I ever heard of and I will ever praise it and herald the good news abroad."

MRS. E. W. KELLEY, Danby, Vermont.

Misery with Kidney and Liver Trouble.

"GENTLEMEN:—Will you allow me to speak a word of Honor and Truth in praise of Giant OXIEN PLASTERS and Giant OXIEN FOOD for the nerves and blood. I have used Giant OXIEN PLASTERS and Food for the past two years and it makes me hearty and strong where other medicine has failed to give me any relief. I have suffered pain and misery with kidney and liver trouble but since I have used Giant Plasters and Food for the nerves I can work every day." Ever yours,

JAMES RICK, Hibbetts, Ohio.

A GIANT NOW.

"DEAR SIRS:—The desk has arrived and I am so pleased with it that I can not express my gratitude to you for enabling me to obtain it in this way.

"Your OXIEN is helping me more with each box I take and am now a giant compared with what I was a year ago when I began taking OXIEN. It is certainly a 'Lucky Investment,' and worth many times the price you ask for it."

Respectfully yours,
ZENO NAGEL, Oberlin, Ohio.

PARALYZED—SPEECHLESS.

"In my order of Oct. 18th, 1895, for $2 worth of OXIEN and PLASTERS and PILLS, which I said was for a lady who had a son who was paralyzed. He was speechless and nervous and had not the use of one hand, but since the use of OXIEN she bought of me, he has regained his speech and use of his hand. I said then if the OXIEN helped her son she would take out a sub-agency under me and she has done so. The result of the miraculous help to her son."

THOMAS D. BRYAN,
Doylestown, Pa.

WORTH $50 TO THE FAMILY.

"I wish to give you an unsolicited testimonial in regard to your Electric Porous Plasters. Really I cannot give you an idea of the relief they are. I used half of one on my wife's back for backache, which relieved her back in a few minutes and she has not had it since, though before using the Plaster she had been a sufferer for six years. Mother used the other half under her shoulder for a pain that had been there for months and she was instantly re eved. I can readily say that it was worth $50 to the family. Hoping you an everlasting success, I am yours,"

DANIEL MCCALL, Spotville, Ark.

FOURTEEN SLEEPLESS MONTHS.

"TO THE GIANT OXIE CO., Augusta, Me.,

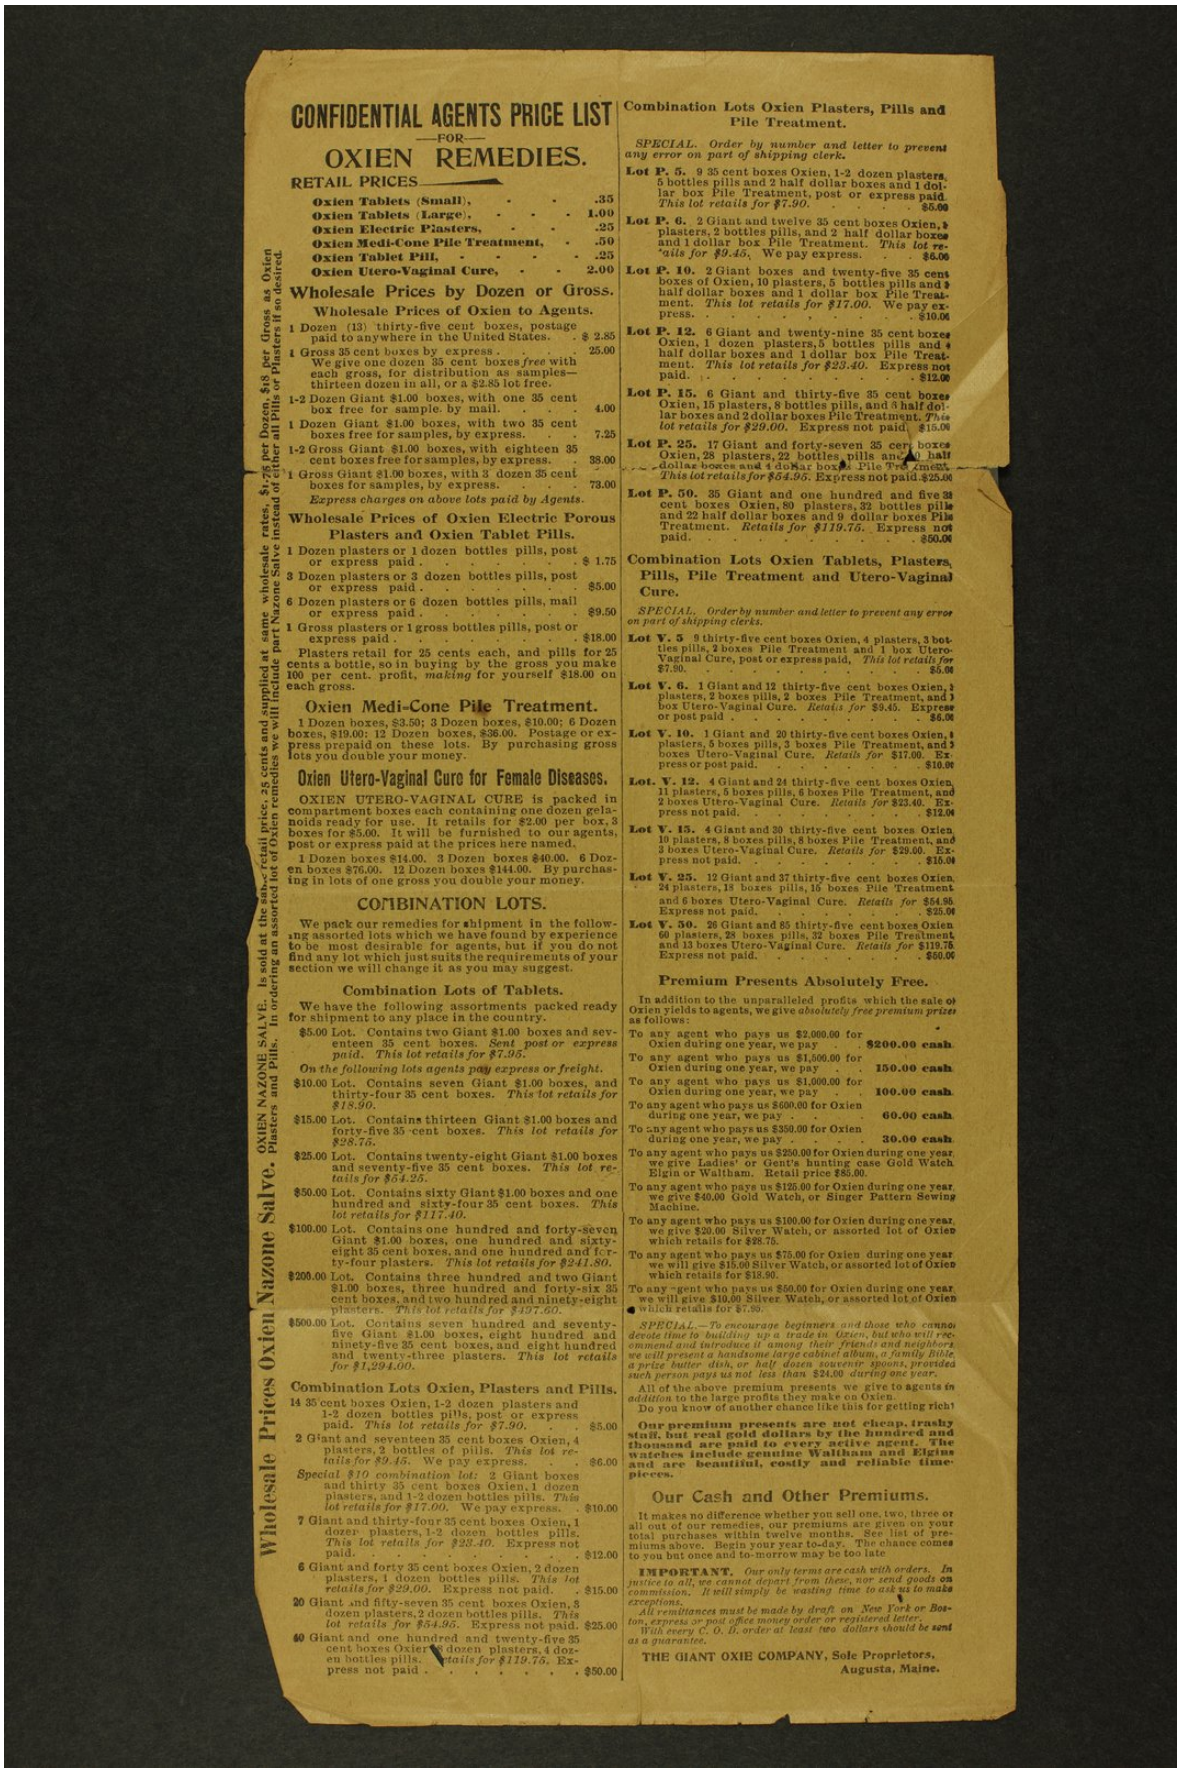

GENTLEMEN:—I am so thankful I became acquainted with he wonderful Nerve Food. I began taking it about fourteen months ago, when not able to do anything—nor sl p at night. I tried the doctors and patent medicine, all with no relief, growing worse all the time. The doctors thought I had kidney trouble, spinal affection of the stomach and enlargement of the liver. I had been ailing for t.n years and r nervous prostration of long suffering. Since I commenced with this treatment I had been under no other treatment and I am now able to go to my farm and plow all day and make rails or do anything that comes up. I have sold right smart and it has worked like a charm. I think that the OXIEN Nerve Food saved me from being in the grave. Thanks to the Co."

D. R. CURLOW, Valhermoso Springs, Ala.

SAVED SEVEN SOULS.

"I have been afflicted with a trembling of my nerves for the past 16 years, which has yearly become worse, until I had to quit cutting letters etc., in the tombstone business; tried the nursery business and had to quit because I could not take orders from my nervousness. It interfered with my whole nervous system so badly that in the capacity of Justice of the Peace I was compelled to have my docket and other writing done by other parties. My affliction interfered so badly that in dipping a cup into a bucket I could not get it to my mouth without steadying it with my other hand. I also was so badly afflicted with my kidneys for the past eight years which gradually grew worse that some nights I would have to be up nearly twenty times, getting no rest, and last fall I took with what the doctors call 'Muscular Rheumatism' in my right arm and right leg, affecting my entire side, and lost the entire use of my right hand, it being puralyzed like a dead man's. In my extremity I went to Dr. Crawford of Kahoka and he advised me to go home and take good care of myself as my working days were over and said he would not give me any medicine. I then sent $1.00 to The Giant OXIE Co., and using nothing but the Tablets in one week I found I was better and in two weeks I sent for more of their medicines and have taken $3.00 worth of the Tablets all told and to-day I want to say I feel no symptoms of Kidney trouble and that my nervousness has all disappeared, also all symptoms of rheumatism. At present I have less pains and aches than I have experienced heretofore for years and have been eating three square meals a day for the past two months. I have been gaining flesh for the past two months and now 'tip the beam' at 218 lbs. I believe I owe it to humanity to sell all the OXIEN I can, and send you seven testimonials wherein it has undoubtedly saved life."
