Dear Mr. Walker;

Expense incurred in obtaining the  
Cherokee County election returns over the telephone  
amounted to \$3.30

I think the general service was quite  
satisfactory. There was some delay Thursday or Friday  
in connection with the Wiley-Allen race, in which we  
were, of course, particularly interested.

Very sincerely,

### THE EMPORIA GAZETTE

W. A. WHITE, EDITOR AND OWNER  
W. E. HUGHES, MANAGER  
EMPORIA, KANSAS

August 16, 1926.

My dear Brinkerhoff:

Your visit in Emporia the other day was too short. I have wanted for sometime an opportunity to make it a longer one. If you will come up here, I will promise to nail down the buildings of the Normal School so you can't walk off with any of them and with that out of your mind you can have a pleasant evening.

Now to get at the real purpose of the letter: Last week I learned that Secretary Jardine would be coming to Kansas early in September and would like to meet a group of the leading Republican editors of the state and discuss the administration's plan for agricultural relief. I immediately invited the Secretary to be my guest for dinner and promised him to invite a group of fifty or more to meet him and naturally we both felt that you should be with us. So this is a most formal invitation to dine with me at 6:30 on the evening of September 3rd--probably at my home to meet the Secretary of Agriculture, Wm. M. Jardine and to discuss with him plans for an administration farm bill. The guests will be editors--excepting that I have felt that as Editor and Statesman, Homer Hoch of the Marion Record should come. And also I have invited Senator Curtis and Senator Capper. Senator Curtis is the leader of our party in the Senate and one of the leaders in the nation. And I feel that any formal dinner given to the first member of the cabinet from Kansas should of course be graced by our Senior United States Senator. I have invited Senator Capper as a newspaper man.

Let me add to the formal invitation my earnest hope that you can come. Please let me know as soon as you can give me a definite answer, and remember that the formality of this dinner will not detract from the real pleasure I shall feel in having you see the Gazette Office and entertaining you for a few hours in my home. I wish I had a house big enough to put up all of the guests for the night. But fifty is a large order. I shall have to be satisfied to feed you if I can't "sleep" you.

Sincerely yours,

Mr. Fred W. Brinkerhoff,

Dear Mr. Brinkerhoff:

We are making arrangements to report promptly the football results in the Kansas conference this fall.

When such games are played on Friday at Pittsburg, it will be greatly appreciated if you will send us the bare score overhead as quickly as possible. If we find that the telegraph service is too slow, we shall use the telephone.

As the night wire opens at 5 p.m. on Saturday, the scores of Saturday games can be filed directly on the leased wire by the morning member.

Should a more extended service be desired on some particular game, that will be taken up later.

Your cooperation in helping us to speed up the football service this fall will be appreciated.

Dear Mr. Fox;

We want to conduct a rather active speaking campaign during the month of October and are anxious to get the names of as many speakers as possible who will help us. Would you please, at your earliest convenience, send me the names of those in your County, both men and women, whom you think would be willing to give us at least a part of their time and who would be able to make the kind of speeches that would be helpful to the party.

I would also appreciate it if you would let me know at once the probable number of meetings you are going to have for which you will want us to furnish the speakers. Do you expect to have any school house meetings and will you want any speakers for three days to a week continuously in your county? We will endeavor to cooperate with you in every way possible and supply your needs to the best of our ability.

Senator Curtis and Senator Capper will be billed from this office, but we will in all cases follow the suggestions of the Congressional candidates and the Congressional Committees. Requests for either of these speakers must come from the Chairman of the Congressional Committee of your district.

Yours very truly,

Director, Speakers' Bureau

Wm. Fox, Rep. Co. Chmn.  
Arma, Kansas.  
Dear Sir :-

No doubt you have the request of the state committee for all counties to make Oct. 19 a big rally day, having a motor tour of the county during the day, and finishing with a big meeting at some town you may select. In my county I called our county committee together this week and arranged for it. I have heard from some of our Third Dist. counties and so far as I know all will try to comply with this plan. You should have a good speaker, from outside if you want it that way, but you know you have in Fred Brinkerhoff, just about as effective a speaker as Kansas has. Maybe you could use him on your tour. I have asked the Speakers Bureau in Topeka to do their best for all our counties and if you want a speaker sent to you for that occasion, just take it up with Clyde Miller at Topeka, sending me a copy of your letter and I will second your request as forcibly as I can. Also let Mr. Miller know if you have speakers you can send from your county elsewhere for that time,

In the matter of a complete poll of one country precinct on Governor, Senator and Congressman, I made arrangements in our county and hope you will all do the same.

Yours Resp,

*George Turner*  
Third Dist. Chairman.

While traveling over my territory  
I heard so much adverse comment  
on Pittsburg. People made the  
statement if Pittsburg was as  
reported of the Daily Sun  
they did not want their  
children to attend the  
State Teachers College. In  
fact one farmer made the  
statement that the State normal

on this trip that the Pittsburg
