

## Kansas Film Commission site photographs, subject buildings

### Section 1, Pages 1 - 30

These are panoramic photographs of locations in Kansas created by the Kansas Film Commission to promote scenes to film companies. The panoramics were created by taking individual photos and taping them together. The photographs are arranged alphabetically by subject and then location. This part of the collection contains photographs of buildings, including historic buildings, miscellaneous buildings, office buildings, unique buildings, and warehouses. Lecompton Constitution Hall was added to the National Register of Historic Places in 1971, and as a National Historic Landmark in 1974.
