Section 1, Pages 1 - 30

Shown here is the 1969 yearbook published by the Shawnee County Amateur Baseball Association, Inc. (SCABA), a youth baseball organization with facilities at Lake Shawnee in Topeka, Kansas. The yearbook includes photos of teams who participated in each of the SCABA age divisions offered in 1969--Minor League, Midget, Gopher, Pony, and Pony Express. Also identified are the championship teams in each league, as well as the team sponsors. Among the players pictured in the yearbook is Lon Kruger, the Silver Lake native who would become well-known for his basketball career, first as a player at Kansas State University, and later as a collegiate and NBA coach. In the summer of 1969, Kruger played for the Bluejays, the co-champions in SCABA's Pony Express League, and winner of the league tournament. Digital reproduction of the yearbook was accomplished through a joint project sponsored by the Kansas Historical Society and the Shawnee County Baseball Hall of Fame.

YEAR BOOK

SHAWNEE COUNTY AMATEUR BASEBALL ASSOCIATION, INC.

The President's Message

I see no future in discussing the past season, so I am looking forward to next year's program with a much better outlook than I have had in previous years. I feel that the coming season will bring a few changes for the betterment of the Association as a whole.

The September meeting of the Association membership immediately got into the basics of next year's organization. They appear to be more in agreement on the necessary Association requirements than in years past. With this type of cooperation a very fine season should be forthcoming.

Sincerely,

C. N. Hupp

BOARD OF DIRECTORS

Left to right: Ray Etzel, Minor League Representative; Don Kruger, Pony Express Representative; Paul Blankenship, Midget League Representative; John Fries, Gopher League Representative; Bill Mallory, Vice President; Charles Hupp, President. Not pictured: John Carlson, Secretary; Leon Henderson, Treasurer; Blackie Moore, Pony League Representative.

Responsible for running the expanding program of the Association are the nine members of the Board of Directors. Included in their duties are raising money on which to run the program, providing supervision for the games, setting up schedules, settling problems that arise during the playing of the games, seeing that the physical facilities are properly maintained, and providing leadership in all phases of the program.
