United States' Landing Ship Tanks

E970.4
#6

U.S. Navy

FILE NO: CG 2499

ALL ABOARD FOR BIAK

Biak Island in the Schoutens is the destination of this string of LSTs, heavily laden with the equipment of invasion. From the deck of a Coast Guard-manned LST, a Coast Guard Combat Photographer makes this picturesque record of the great Biak convoy bound for the action which brought American fighting men possession of another strategic air base deep in the sprawling Japanese Pacific empire.
