Section 23, Pages 661 - 690

Fred Iles was assistant right of way and tax agent for the Kansas Town and Land Company which bought and sold lands on the right of way of the Chicago, Rock Island and Pacific Railway Company. In 1917, he assumed Ernest Warren Cline's position as right of way agent, responsible for representing the railroad's interest in all matters concerning the acquisition and disposition of land on the right of way. This correspondence includes Iles' activities and expenses accounts at the behest of E. W. Cline and the CRI&P Railway.

Mr J. B. Angell

chief Right of Way & Tax Agent.

Chicago, Ill.

pear Sir:-

Referring to your letter of July 27th in reference to status of the Franklin Adams tract.

As I stated in my letter of July. 2016, the raft was put up with deed to be signed on receipt of authority to quit claim to Adams, our abandoned right of way at such time as it ceased to be used for railway purposes Also there has been considerable delay in getting land lines and titles straightened out, and as we have been able to arrange for certain releases of mortgage, we received permission to start work some ten days ago.

No delay to contractor has occurred in any case and on my way yesterday to Maple Hill, Engineer's were then cross-sectioning the adams tract.

I am working dilligently on this particular matter to get it out of the way, land owner having unfortunately had a stroke of paralasys has left the clearing of his title to me to handle at the suggestion of the Mortgage Company.

Yours truly.

Right of Way Agent.
