### Section 67, Pages 1981 - 2010

The Golden Belt Town Company was incorporated in 1886. It was chartered to buy and sell land on the right of way of the Chicago, Rock Island and Pacific Railway in south-central Kansas, including the communities of Waldeck, Durham, Tampa, Ramona, Lincolnville, Furley, and Peck. The company also owned an undivided one-half interest in the Lost Springs, Aulne, Elbing, Whitewater, and Gladys townsites. Mr. F. H. Kollock of Peabody, Kansas, was named president and served until his death in 1895, at which time Samuel T. Howe assumed the position. G. H. Blackwelder of Wichita was secretary, G. W. Hurd of Abilene was treasurer, and A. Clark of Peabody was general agent. These company records include director's minutes, correspondence, financial statements, land contracts and deeds, and several books containing applications for lots and price lists.

above mentioned that is not included in the list  
I notice you did not send me any receipt for it  
when I ordered receipts for the first half. Please look  
it up, and include it in the list this time. I also  
wish you would note on the receipts any taxes  
unpaid, of any the property in this list as  
I to get an estimate upon that notation as a  
means of correcting any errors.

If you will kindly send me a statement of the  
amount necessary to pay the taxes on the above list  
and the amount due you for your extra trouble,  
I will gladly remit for both on account of note

Very truly yours
