Gerat Henry Hollenberg built and operated the Hollenberg Pony Express Station in Hanover in Washington County, Kansas. He was also known as the founder of Washington County, Kansas and the city of Hanover. William Kalhoefer, along with August Jaedicke, were the first to settle in Hanover, Kansas. This collection includes papers of Gerat Henry Hollenberg, William Kolhoefer, the St. Joseph and Denver City Railroad, and the St. Joseph, Hanover, and Southwestern Railroad. The bulk of the collection consists of warranty, quit claim, and sheriff deeds involved Hollenberg and land acquisitions in Washington County. Some properties are in Marshall County. The related correspondence documents the early history of the county and its cities, including topics primarily relating to laws and organization. The papers of William Kalhoefer include his marriage license, naturalization papers, bank deposit records, and election certificates for various positions in which he served. These positions included the mayor of Hanover, notary public, township treasurer, and other positions. The railroad records include right-of-way documents and related correspondence.
