District in said Territory.

And now comes the defendant by his attys Shannon & Stevens and moves for a re taxation of costs in this case —

1st. That is taxed in this case for the District attorney as his fee $10 — when he is not entitled by law to any fee as against the defts when the Indictment has been pending or when a Nolli prosequi has been entered.

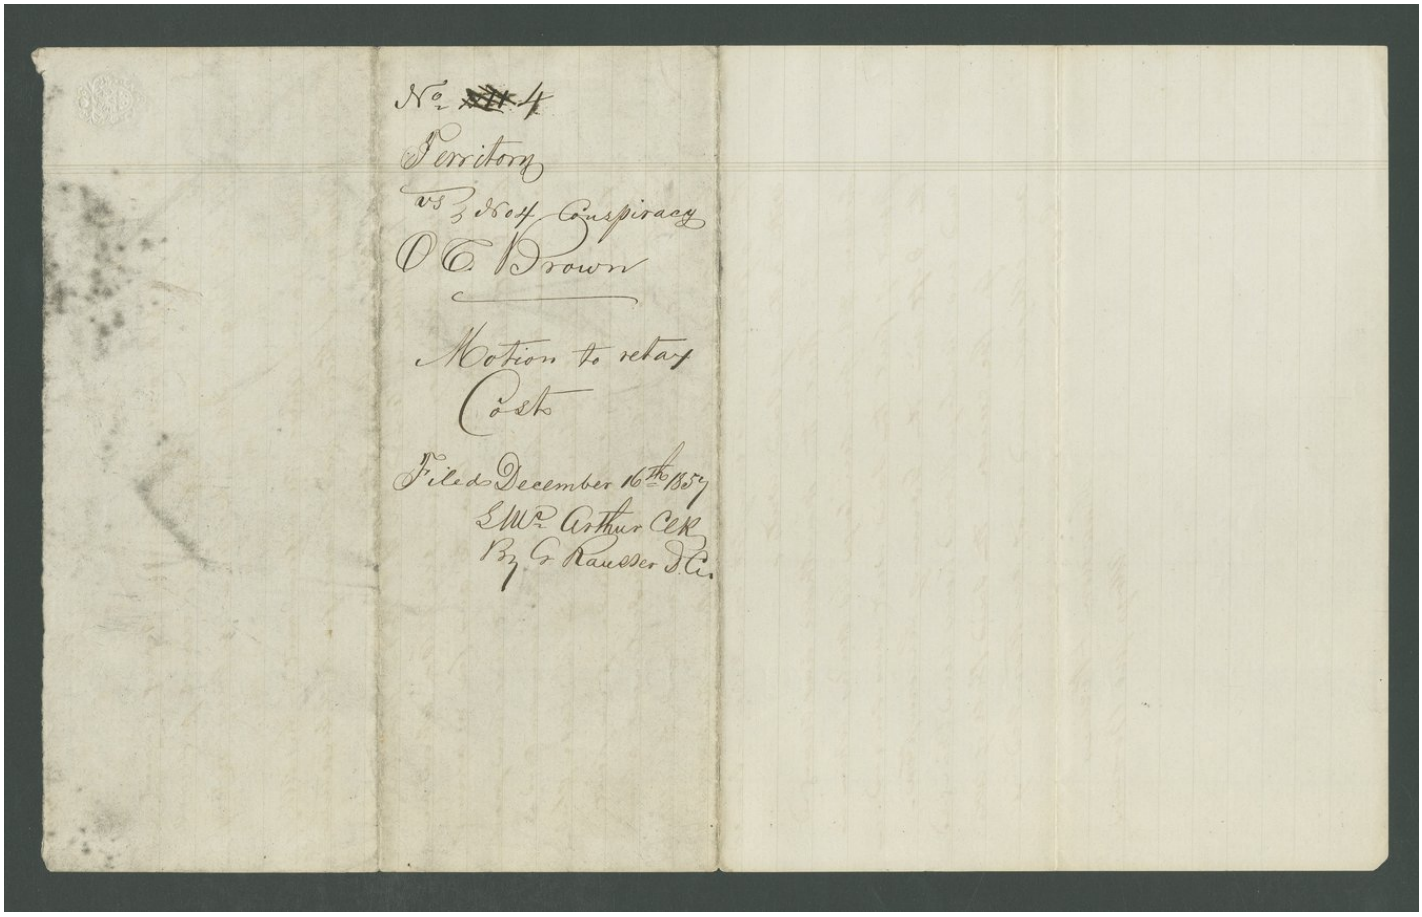

2. That there is taxed in this case Clerks fees $16.50 — that this is made up in part by issuing 4 writs on the Indictment when these writs were never served on the defts — although the defts was at all times within the reach of the officer and ought have been served with either of said writs.

3. That the Marshall has charged some $3. for mileage 60 miles when in point of fact the said writ was served on the defts in the County of Lecompton — and no mileage should have been charged

4. Because the said Bill of costs are illegal and not authorized by law.
