

Atchison, Topeka & Santa Fe Railway Company's steam locomotive #1007

This photograph shows the Atchison, Topeka & Santa Fe Railway Company's steam locomotive #1007. The locomotive was built by the Baldwin Locomotive Works of Philadelphia, Pennsylvania with a "Prairie" type or 2-6-2 wheel arrangement and was later modified for service between 1921-1923. It was scrapped for metal between 1941 and 1954.
