E.H. Campbell to Governor John St. John

Coffeyville, Kas. Sept. 21/88
Gov. John St. John
Topeka Kas.

Dear Friend:

I find that I am not known down this way, and it is a little embarrassing at first. Dr. Grass is making my appointments, but notwithstanding that, I was received here rather indifferently at first, but I captured them the first night. To relieve this embarrassment at first I wish you would be kind enough to write "To whom it may concern" what you know about me and my work, and forward it to me at this place. I don't like to trouble you, but it will help the cause. They have taken our temperance papers down this way, so don't know anything about me.

Completely Captured Columbus - Had grand meetings - They want you there - You could make many votes - Democrats & Greenbackers are pretty strong there.

Your Friend, E.H. Campbell

will take this down. You have not written me for months.
