

Kansas City Hopewell Rim Sherd from the Trowbridge Site, 14WY1

This rim sherd was found at the Trowbridge archeological site, in Wyandotte County, and donated to the Kansas Historical Society in 1973. This rim sherd shows cord marking, an incised line, embossing, and trailed lines. The Trowbridge site is a Kansas City Hopewell site from the Early Ceramic Period. During this time archeologists find evidence of houses, cultivated plants, the bow and arrow, and decorated pottery.
