Pratt County livestock brand registrations

Section 2, Pages 31 - 60

Records of livestock brands in Pratt County, Kansas, as compiled by workers on a project sponsored by the Kansas State Planning Board. The forms provide the owner's name and county in which he or she resided; date brand was registered; whether it was used for cattle, horses, sheep, or hogs; a brief description usually indicating where the brand was placed on the animal; and a copy of the brand design. The registrations in this folder are roughly in chronological order by date filed.
