Dear Sir

Your letter of the 22 ult did not reach me until the 1st inst by reason of being addressed to Harlem instead of Horton. I return envelope herewith. This will in a measure explain any delay in remitting for cert of Packing, drayage etc on tents. Enclosed is draft #25670 on Kan City in the sum of $19.00 for freight drayage etc on 60 tents

I have an order from your Frederick Holz
Ordinance Sergt for tents during your absence to Ship 60 tents

to J. Stickel Centralia Kan.
Mr Stickel apples were concluded
40 would be all he could, but
as our count showed but 98
~~tons~~ tons received from
Boston Springs it left one but
88 to send Centralia apple
returning you 68.
We have been compelled to
pay freight from Boston
Springs by reason of their
neglect in returning them
to you. Is there not some
way to compel the Boston people
to pay a portion of this freight.
They doubtless held the tins
for the purpose of escaping
cost of packing drayage &c
but it seems wrong that we
should be compelled to pay
this freight. Can you
help us out in this matter
If tins had been returned
promptly as was the duty of the
Boston people our freight would
have been from Topeka and
return only. We are willing
to bear all expense belonging
to us but it seems as this
deal we get more than our
share. If the Boston people
will pay to Kansas City we will
cheerfully the rest.
With thanks for the interest
you have taken in us and
for favors granted I am
Very respectfully
L. H. Lewelling
