Governor Henry J. Allen, correspondence files, box 7

December 3, 1919.

Acme Coal Co.- Idle account night men failing to get water into tank. Had to kill tipple and other boilers for water. Shovel crew are talking about quitting. Reported by Henry Wilson.

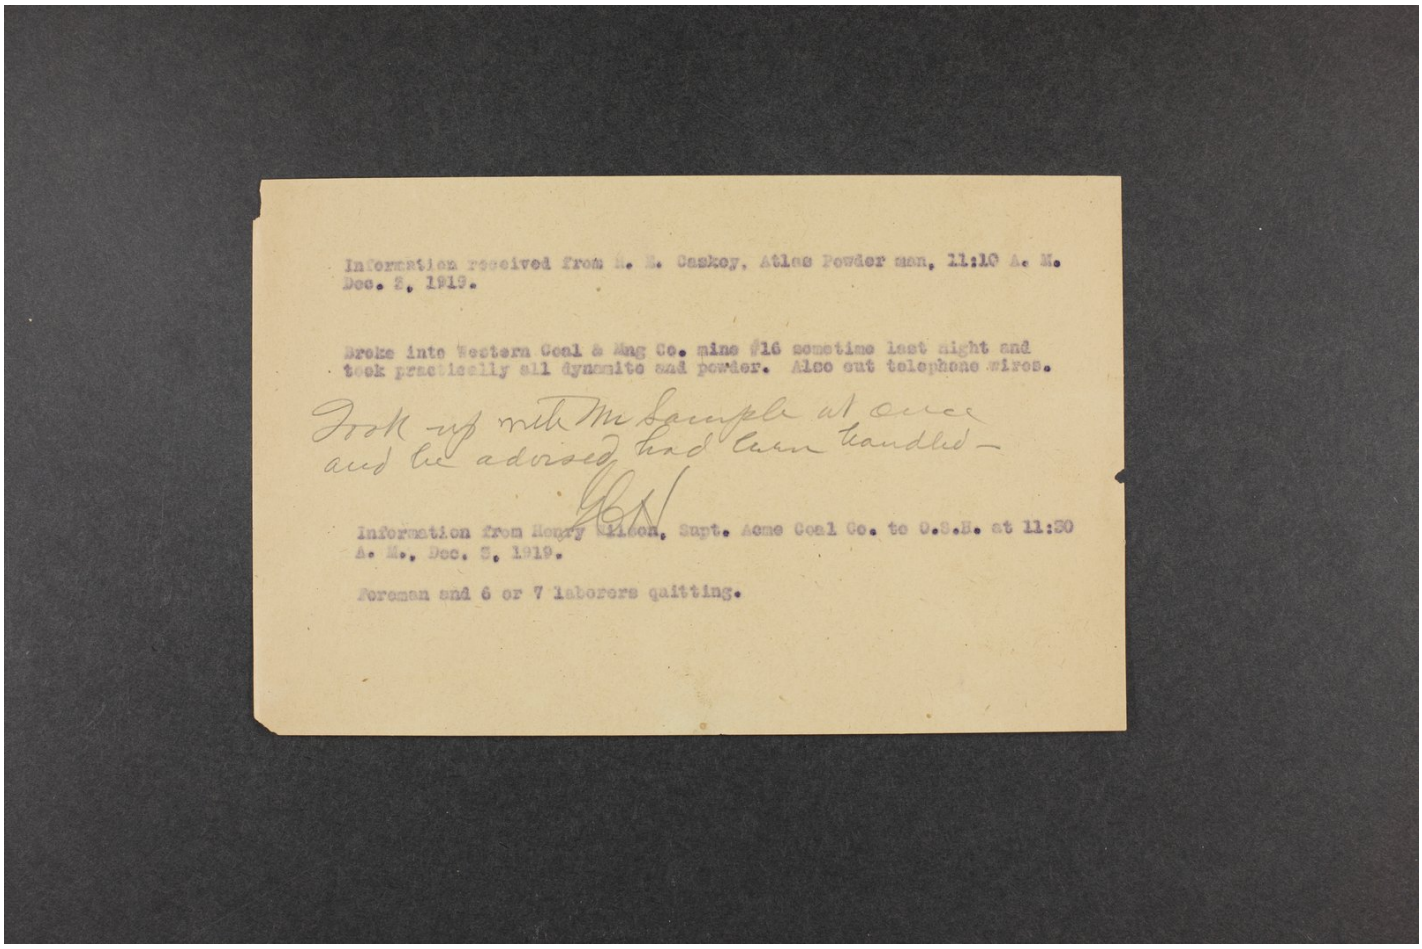

Wilson Bros. - working. Lost 30" on pump froze up and pumping 10" water on bottom. Expect to load 5 cars today.
(Loaded one car.)

Carbon #1 - will not load account taking all day to get ready.

Carbon #2 - will load some coal but will take most of the day to get ready.

Governor Henry J. Allen, correspondence files, box 7

Information received from H. M. Caskey, Atlas Powder man, 11:10 A. M. Dec. 2, 1919.

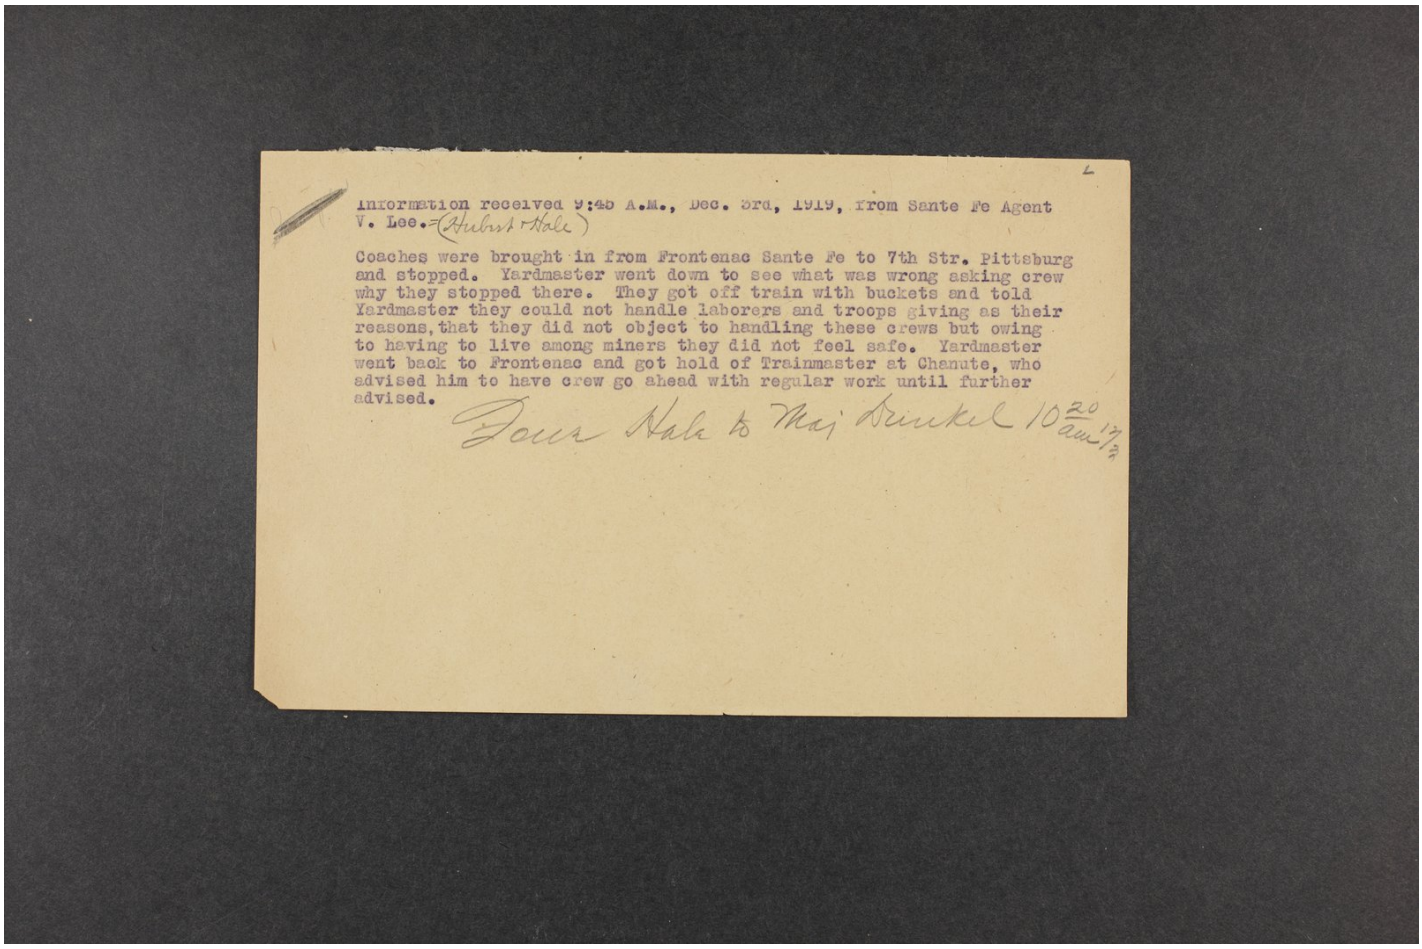

Broke into Western Coal & Mng Co. mine #16 sometime last night and took practically all dynamite and powder. Also cut telephone wires.

Took up with Mr Semple at once and he advised had been handled—

JHA

Information from Henry Wilson, Supt. Acme Coal Co. to C.S.B. at 11:30 A. M., Dec. 2, 1919.

Foreman and 6 or 7 laborers quitting.

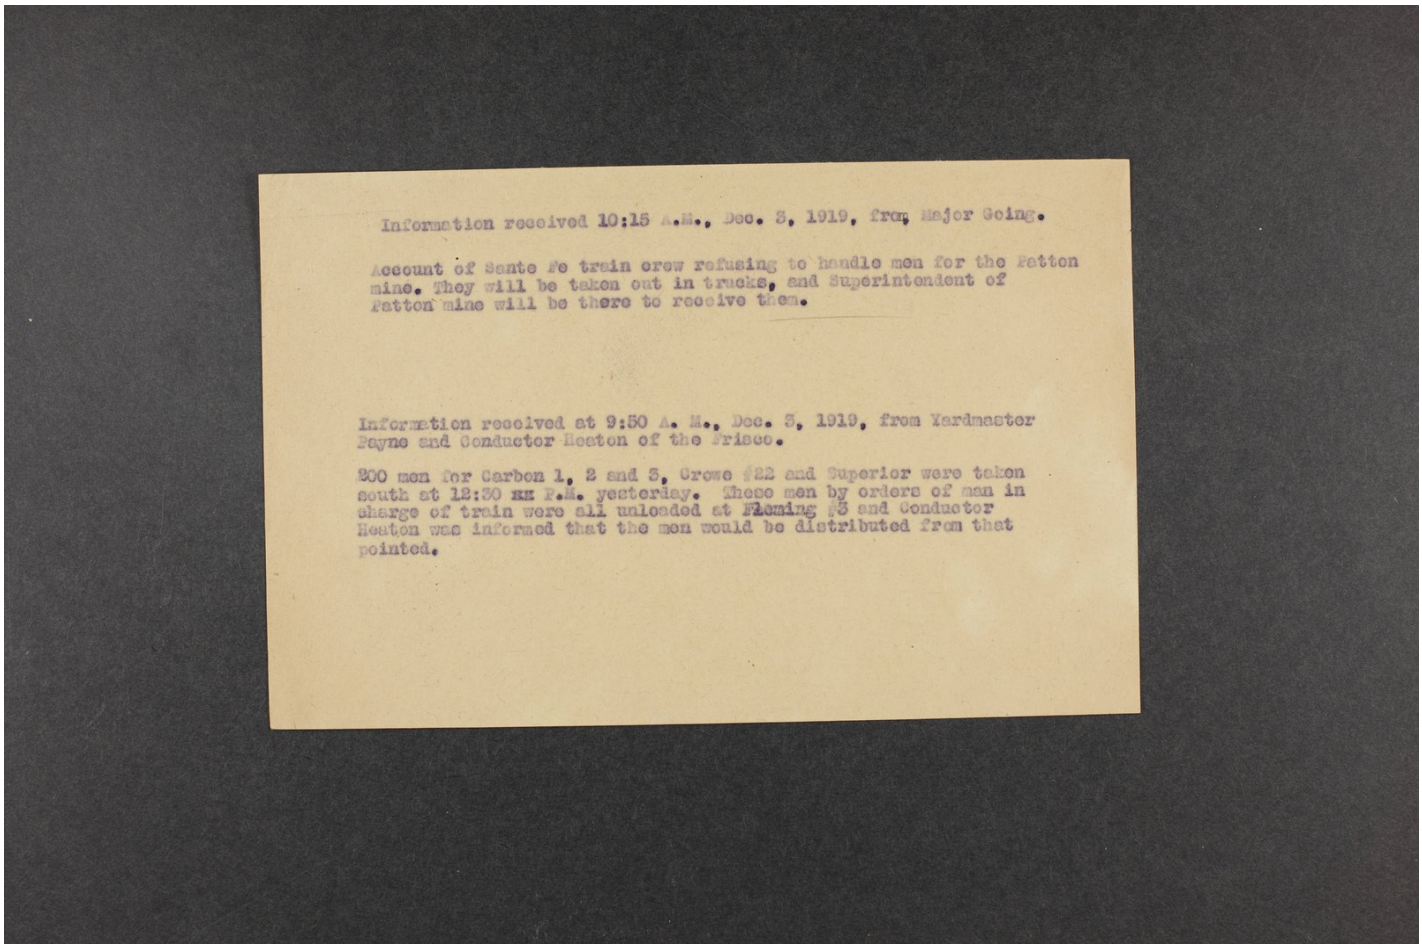

Information received 9:45 A.M., Dec. 3rd, 1919, from Sante Fe Agent V. Lee.=(Hubert Hale)

Coaches were brought in from Frontenac Sante Fe to 7th Str. Pittsburg and stopped. Yardmaster went down to see what was wrong asking crew why they stopped there. They got off train with buckets and told Yardmaster they could not handle laborers and troops giving as their reasons, that they did not object to handling these crews but owing to having to live among miners they did not feel safe. Yardmaster went back to Frontenac and got hold of Trainmaster at Chanute, who advised him to have crew go ahead with regular work until further advised.

Dave Hale to Maj Dunkel 10:20 am 12/3

Governor Henry J. Allen, correspondence files, box 7

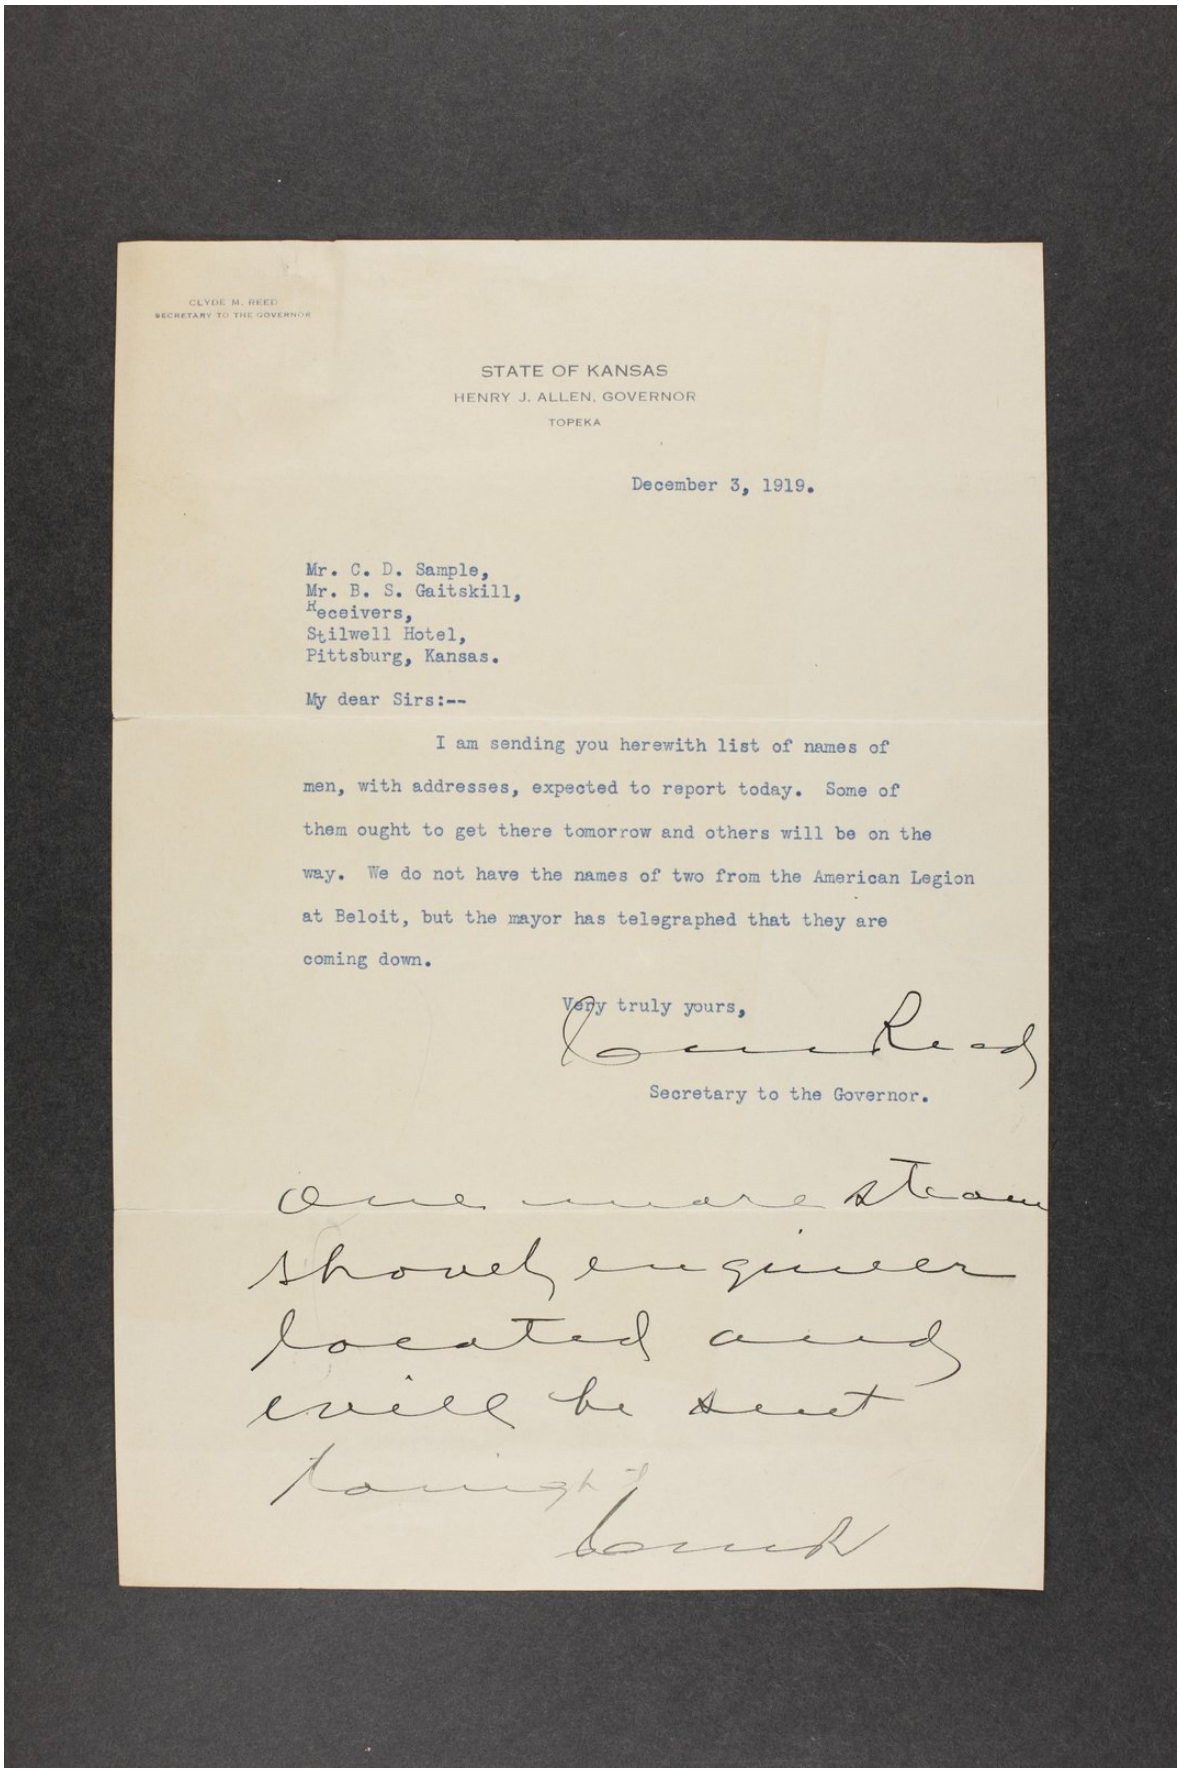

Information received 10:15 A.M., Dec. 3, 1919, from Major Going.

Account of Santa Fe train crew refusing to handle men for the Patton mine. They will be taken out in trucks, and Superintendent of Patton mine will be there to receive them.

Information received at 9:50 A. M., Dec. 3, 1919, from Yardmaster Payne and Conductor Heaton of the Frisco.

300 men for Carbon 1, 2 and 3, Crowe #22 and Superior were taken south at 12:30 ~~AM~~ P.M. yesterday. These men by orders of man in charge of train were all unloaded at Fleming #3 and Conductor Heaton was informed that the men would be distributed from that pointed.

Governor Henry J. Allen, correspondence files, box 7

CLYDE M. REED
SECRETARY TO THE GOVERNOR

STATE OF KANSAS
HENRY J. ALLEN, GOVERNOR
TOPEKA

December 3, 1919.

Mr. C. D. Sample,
Mr. B. S. Gaitskill,
Receivers,
Stilwell Hotel,
Pittsburg, Kansas.

My dear Sirs:--

I am sending you herewith list of names of men, with addresses, expected to report today. Some of them ought to get there tomorrow and others will be on the way. We do not have the names of two from the American Legion at Beloit, but the mayor has telegraphed that they are coming down.

Very truly yours,

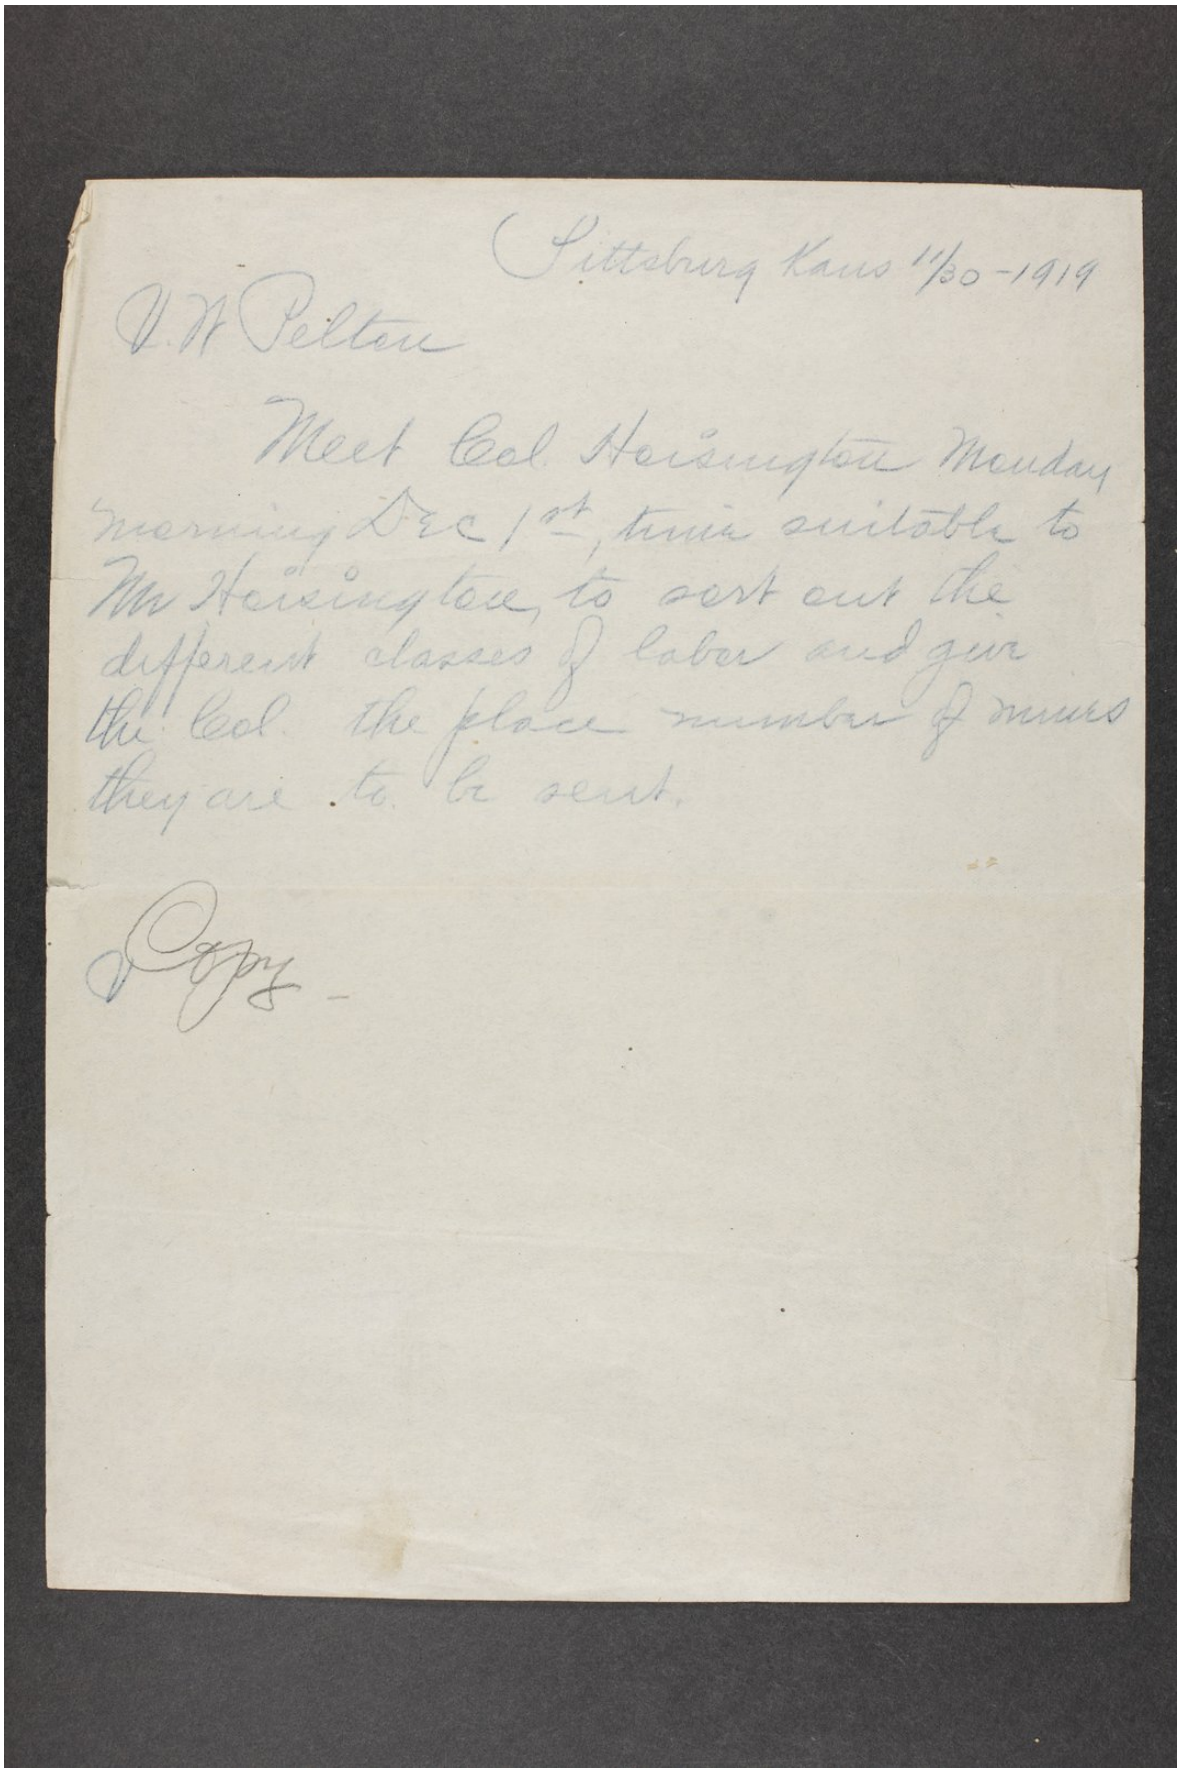

Clyde Reed

Secretary to the Governor.

One more steam shovel engineer located and will be sent tonight.

Clyde

Governor Henry J. Allen, correspondence files, box 7

Pittsburg Kans 11/20-1919

W. H. Pelton

Meet Col Harrington Monday morning Dec 1st, time suitable to Mr Harrington, to sort out the different classes of labor and give the Col. the place number of mines they are to be sent.

Copy -

There are about 140 men in this list but you will have to make allowance for those men who were uptown or did not get the call. Would say there are easily 175 men unassigned.

State of Kansas, ex-rel,
Richard J. Hopkins, Atty. Gen.

vs. No. 23700

Bruce & Pierard Coal Co., et al

To, All Coal producers of Coal of Cherokee & Crawford Counties, Kansas, operating under Receivership.

GENERAL INSTRUCTION NO. 1

Under the settlement covering in the operation of coal producing properties as may be included in above entitled action, you are advised as follows:

1. All shaft mines and pits will continue as they were being operated as of date October 31, 1919, re-establishing the same employees as fast as possible.

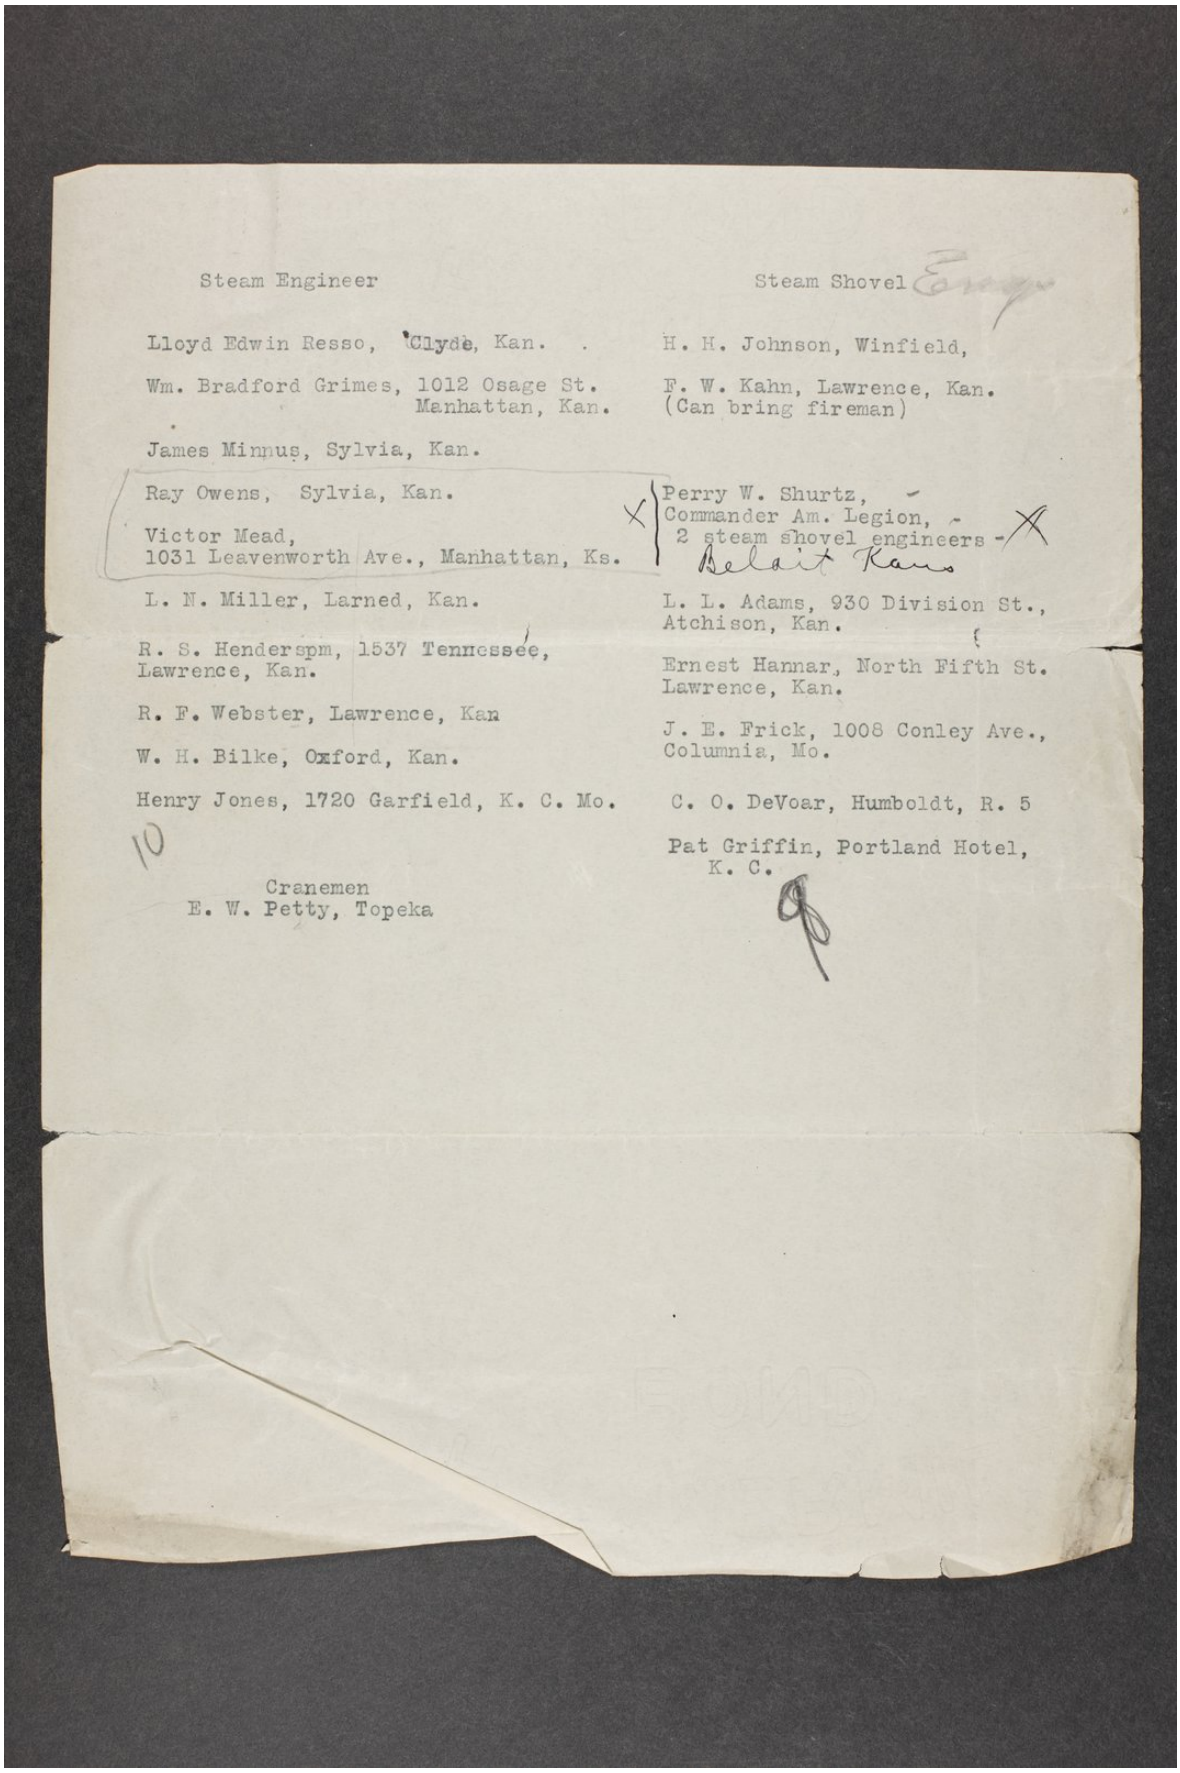

2. General operation of the several shaft mines and pits to be conducted along the same line and in manner as before, retaining the same separate identity of corporation, partnership or individual operation.

3. All bills, pay rolls, accounts and all other expense incident to operation should be handled as previously done, reporting regularly in detail to this office for handling. All sales should be handled in like manner.

4. All coal as loaded to be shipped in name of and under direction of Receivers, who will also make collections thereof, and on all orders furnished you by this office, Shippers' Order, Bill of Lading must be issued, weights obtained, signed as soon as possible, and transmitted to this office; also send copy of all billing together with weights to this office daily.

Respectfully,

_____
