Hon. Harry H. Woodring,  
Governor of Kansas,  
Topeka, Kansas.

Dear Governor:

After February 27th 1931 we will be located at 208 East 10th Street, Topeka, Kansas--the building now occupied by the Harry Smith Motor Service Company.

As you know I have been manager of the Topeka Motor Co., former Packard Dealers, the past three years, and since the Topeka Motor Company is no longer Packard dealer, I have decided to take Packard myself and you will find us at the above address.

Elmer Stone, who has been the Packard service man for three years will be in charge of the service department, assisted by Harry Smith well known garage man and mechanic.

We will carry a stock of genuine Packard Service parts and accessories, also the special tools necessary to properly service Packard cars.

We invite, and urge you to bring your Packard to our service station when in need of anything for your car, and our charges will be flat rate charges worked out by the factory which are fair and liberal to the customer.

On February 27th and 28th 1931 we will open our new place at the above address, at which time we will have several different models of Packard's latest cars on display.

We trust you will favor us with your presence and Patronage.

Yours very truly,

THOMPSON MOTOR COMPANY.
