Gov P. P. St John:-

You may have heard of me - if not a note from Mr Sellers, Editor of Wabaunsee Co News, hereunto attached, will inform you that I am not a very bad sort of a Democrat. I came to Kansas last Spring to do temperance work, but my health failed, and I was compelled to go on the dry-docks for repairs. I have lately taken the stump again for the temperance Amendment. - Have been shaking out some county settlements

in this section. The other day a very pressing call from Lincoln Co reached me. I would like to go and stay a week with those people, but I am tired paying full rates on Kansas roads. I believe it will not cost me less than 200 to go ~~to and from~~ from Topeka to Gaylord, Lincoln Co and return. I have never received any favors from railway lines in Kansas, and have determined to ask you to get me a pass from some point in Eastern Kansas to Gaylord. (if possible & convenient) Please write me anyway. I would like to have a letter from the Temperance Governor to keep when I have returned to my home in Illinois. Yours kindly Robert A. Lowry
