Darling Eileen;
We arrived about 12:30 last night;
I never rode so far in all my life.
This camp is located about 12 miles from
Little Rock Ark - I don't think I am
going to like it there - but we don't have
to get up until 5:45 A.M. isn't that fine -
We are here for 13 weeks, this is an
replacement center. We are sent from
here all over the country. We are confined
to camp for 2 weeks & I know I am not
going to like that. It is almost Eleven
O'clock we have been on the go all morning.
We live in huts five men to a hut.
There isn't a soul here I know. These
huts are nice & we have a trunk for our
clothes. We are allowed one Radio to
a hut I am trying to get one of the
other boys to send for theirs.
Find out how far it is to little
Rock & let me know. We rode for
6 in the morning until 12:00 Midnight
I haven't time to write much
as I want this to get on the next
mail. I will put my correct
adress on the Envelope as I am
