Kansas State Temperance Union expense journals

Section 17, Pages 481 - 510

This collection consists of 7 volumes of records from the Kansas State Temperance Union. The first volume lists the members and the dues they paid by local organization. The index lists the communities that have members listed and these communities have been included in the categories. Note: other communities are listed elsewhere in the records, particularly the speaker expenses volume. The second volume is the cash book (expense journal) for the years 1901-1904. Volumes three through five are the cash books for 1907-1910, 1909-1910, and 1910-1911. Volume 6 contains speaker expenses and contribution from the communities where they spoke, listed by name of speaker. Several speakers are listed. Volume 7 is an expense journal for 1907-1911. There are also some loose papers inserted into the volumes, mostly correspondence and form letters.
