

Solid Shot for 3-Inch Ordnance Rifle from the Kaw Mission, 14MO368

This 3-pound solid shot was found at the Kaw Mission State Historic Site in 2016 in association with artifacts from the Civil War. It would have been used with a 3-pounder smoothbore gun. There were several 3-pounder guns used during the Civil War. The Mission was built over the winter of 1850 - 1851 by the Methodist Episcopal Church South as a school for boys in the Kaw (or Kansa) tribe. The site was acquired by the state of Kansas in 1951 and it was listed in 1971 to the National Register of Historic Places.
