

Secret Deodorant Jar

This Secret Deodorant jar was recovered from a farmstead site in Montgomery County by Archeologists from the Kansas Historical Society. In addition to the name brand "Secret" and the floral design, the lid carries ingredient information and directions: "APPLY TO ENTIRE UNDERARM. LET DRY. GENTLE TO NORMAL SKIN. KEEP CAP ON TIGHT. DO NOT APPLY TO BROKEN SKIN. IF A RASH DEVELOPS DISCONTINUE USE." Secret deodorant was manufactured by Proctor and Gamble first in 1956. Roll-on deodorant was first manufactured in 1958, but the cream may have continued in use for some time after that.
